"If you really want to grow in love, come back to the Eucharist, come back to adoration."

*St. Teresa of Kolkata
(Mother Teresa)*

I believe that prayer, and especially silent prayer before the Holy Eucharist, is powerful and life changing. It has been said that there is no way that any one of us can sit in the presence of the Body, Blood, Soul and Divinity of Jesus Christ and not be transformed.

I would like to offer an expansion of the hours of adoration available here at Our Lady of Lourdes.

Presently, we have one hour on Thursdays after Mass with benediction at 10:00. We also offer, on the first Fridays of the month and hour after morning Mass and an hour before evening Mass.

I would like to offer on Thursdays to have silent adoration until noon.

And on First Fridays, begin adoration after morning Mass and go through the day, ending with benediction at 6:00 or so.

We would need a commitment from people to have at least 2 people sign up to be in the church for those hours. If we have that kind of interest, I would be happy to keep the church open. This is how we change the world. We stare at the Face of Love and Love stares right back.
