8/31 Unknown at Press Time

Keep an eye out for one of our hawks around the course. This one likes to hang out around the range. They are beautiful birds, but watch out for your small pets and squirrels. The maintenance crew has had to pick up a couple of mutilated cats. If you do come across a dead animal on the course, please call the pro shop and we will come and get it.

NETS TO BE INSTALLED BETWEEN DRIVING RANGE & #9 GREEN

Have you ever walked up to the #9 green only to find several range balls in the fairway or even on the green?

We will be re-installing nets to prevent stray shots from inadvertently hitting someone on the green. This work should be completed in September.
