

## Notes For Coaches & Swim Families

Upon arrival please visit the check in desk in the Aquatic Center Lobby to pick up your coaches packets. In each packet will be enough heat sheets for the number of coaches you have coming to the meet. These heat sheets are for the full day so please don't throw them out after the first session.

There will also be green wristbands for each of your coaches. Please have them wear them to have access to on deck, the coaches locker rooms/restrooms, and the Hospitality Room. Our Marshalls have been instructed to stop anyone from entering those areas without a green wristband.

Please let your teams know that the meet will be Live Streamed and they can find that at [www.delawaresportsmedia.com](http://www.delawaresportsmedia.com) There is a charge to view.

Please have your team parents help out our clerk of course by making sure that swimmers get to the entrance of the clerk of course when called.

Swimmers should enter the Clerk of Course with a towel and some sort of sandal or shoe.

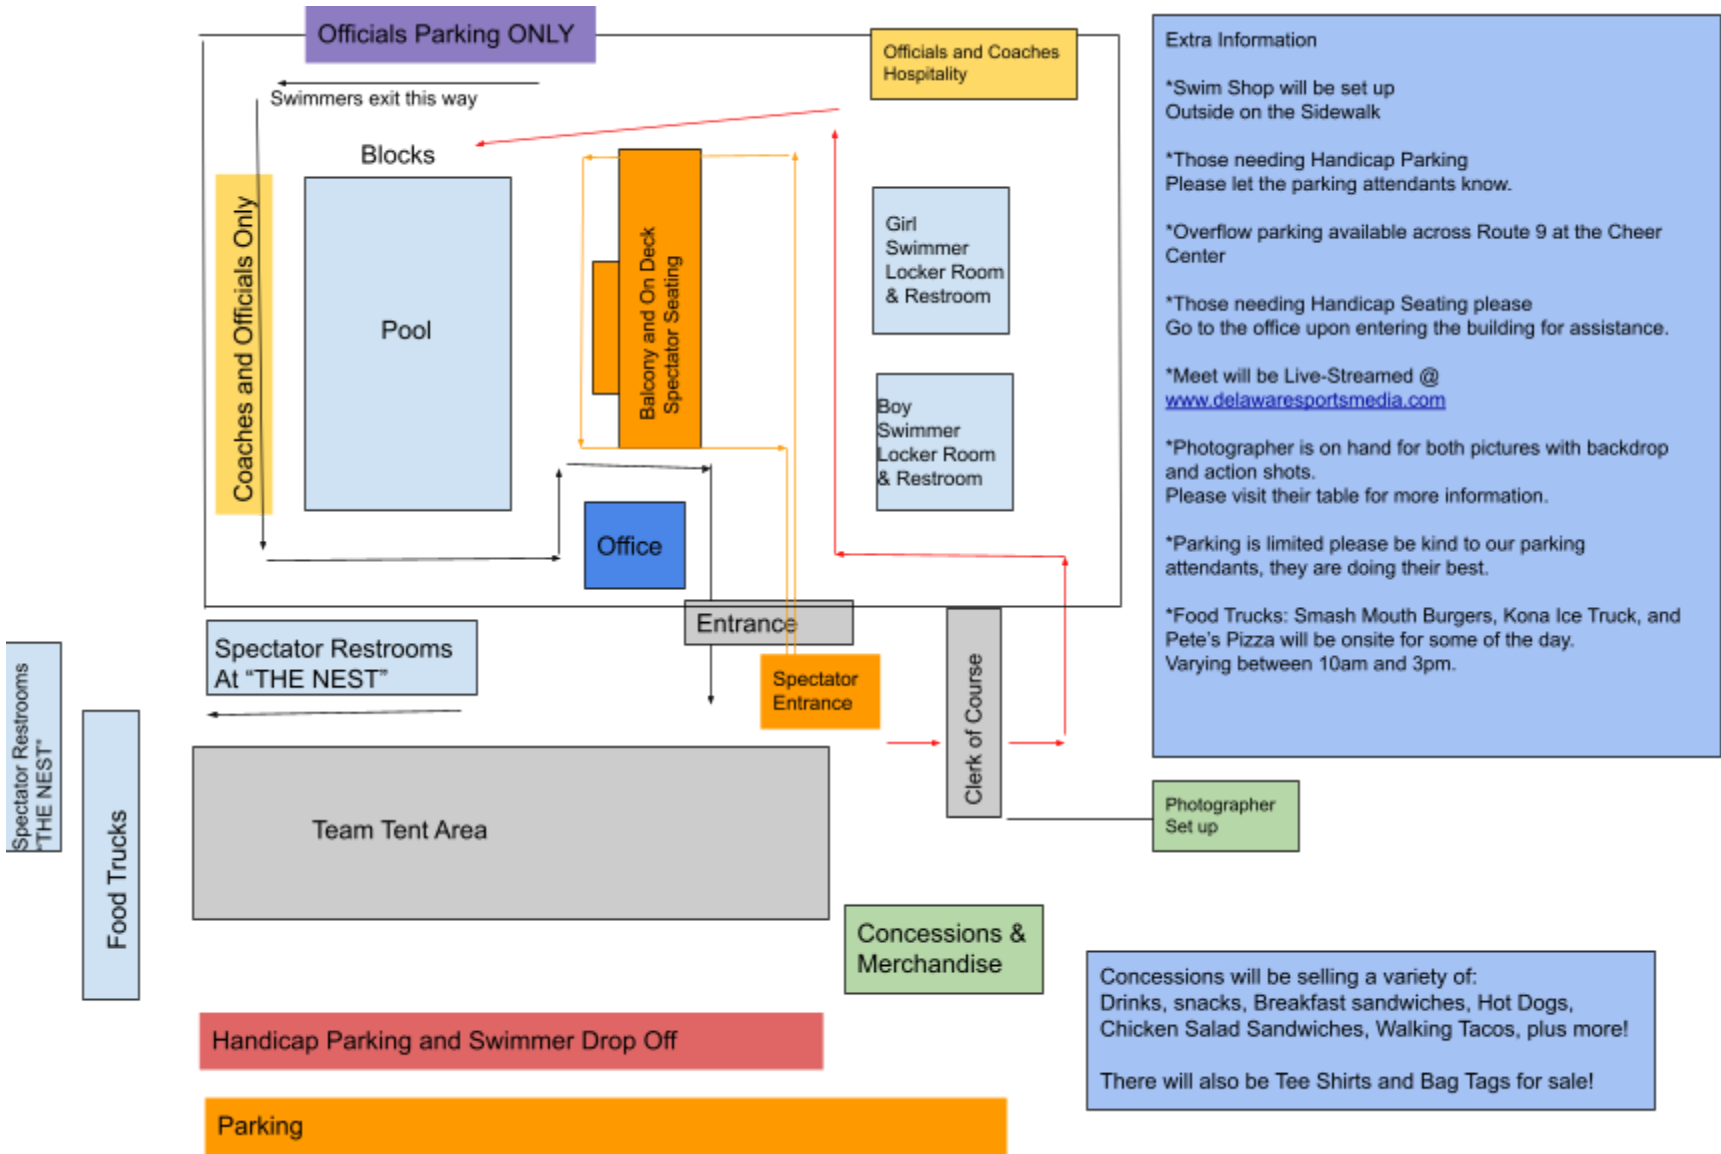

NO SWIMMERS at ANY time will be allowed upstairs in the spectator balcony area. If you need to speak with your swimmer you should do so outside the facility in the team tent area.

NO FOOD and NO DRINKS (except water) are allowed in the facility at any time. All food and drinks bought at the concession stand or Food Trucks must be eaten outside.

Spectators are to use the restrooms at "The Nest" which is located adjacent to the sports fields.

Anyone needing Handicap seating please go to the Aquatic Center Office upon arrival. The Aquatic Center staff will get you appropriate seating and a wristband to use the restrooms in the facility.

Thank you, Shannan Powell Mako Swimming
