Croatia Norval S.C.-Anti-Doping Policy

Croatia Norval Soccer Club (CNSC) adheres to Canada Soccer's anti-doping policy which has been created in conjunction with CCES and the CADP. Croatia Norval Soccer Club educates coaches, players and parents about this anti-doping policy through staff/volunteer meetings, player/parent meetings and club policy manuals.

The **Canadian Centre for Ethics in Sport (CCES)** is the custodian of the **Canadian Anti-Doping Program (CADP)**; the set of rules that govern anti-doping in Canada. The CADP consists of several components such as in- and out-of-competition testing, education, medical exemptions, and the consequences of doping violations. The CADP is compliant with the World Anti-Doping Code and all international standards.

Canada Soccer has adopted the CCES and CADP which means that the club is part of a World-Class anti-doping program that is designed to protect athletes' rights and ensure a level playing field. Canada Soccer's anti-doping policy reflects and supports the CADP.

While the CCES administers anti-doping for the Canadian sports community, you may also be subject to the rules of your international federation. Learn more about FIFA's anti-doping policies and procedures at: <https://www.fifa.com/en/legal/anti-doping/regulations-2021>

The CCES recommends that athletes take the following actions to ensure they don't commit an inadvertent anti-doping rule violation: <https://canadasoccer.com/play-landing/anti-doping-program/#:~:text=The%20CADP%20is%20compliant%20with,ensure%20a%20level%20playing%20field.>
