Croatia Norval S.C.-Everyone Plays Policy

Everyone Plays Policy

The Croatia Norval Soccer Club (CNSC) strives to be an all-inclusive organization promoting the well-being of players of all levels and skills where everyone has the right to play. Croatia Norval SC tries to make program participation affordable for all members and players. Through partnerships with organizations such as Jumpstart, Timbits Soccer and KidSport Ontario we believe that no kid should be left behind and all should be allowed to experience the positive benefits of organized sport.

Physical activity is essential to life, it keeps kids healthy, gives them self-assurance and control, and helps improve their innovation. These opportunities provide low-income families, single-parent families and “new Canadians” with the funding to enroll their children in local sports & recreation programs. We believe that every child deserves an opportunity to play sports. By removing the financial barrier of enrollment fees, children can develop the confidence, social skills and healthy lifestyle attainable through sports.

If for any reason families do not qualify for any of the programs, Croatia Norval SC waives all fees to ensure all kids have a fair and equitable opportunity to participate in the club’s programs.
