LETTER OF RECOMMENDATION

To Whom It May Concern:

This letter is in reference to Mrs. Gina Leary. She has been a long-term co-worker and personal friend of mine. I have had the pleasure and privilege of working with her through Cumberland Orthopedics over the past 14 years. She has been an excellent employee. She is very diligent in her duties and never hesitates to take on any additional responsibility to make our practice run more smoothly and efficiently. She has been instrumental in our office being profitable, as she has been responsible for the general financial obligations that a busy practice incurs. I would not hesitate to recommend her for any type of medical practice or business that requires excellent computer skills, interpersonal skills, and financial management.

If I can provide any additional information on Mrs. Leary, I would be more than happy to do that. Please feel free to contact me at Cumberland Orthopedics at the numbers listed above or at my home – 931-484-9766.

Sincerely,

Jill Denney, PA-C
