## Small Businesses

## Christmas Edition

**Eastern Star Baptist Church**

**Rev. Vester Thompson, Jr., Pastor**

**548 E. 15<sup>th</sup> Street | Port Arthur, TX 77642**

**409-982-2193**

*Greetings Eastern Star Members and Friends*

Pastor Vester Thompson had a vision and the insight to showcase small businesses in Eastern Star in early 2022.

Pastor's mother, Frances, was a small business owner! She was a much sought after nail technician and beautician! So that the initiative continues, we are creating a directory. This is a convenient way to see independent business owners and contact and support them.

The directory is in its infancy. We need your help to make it a robust way to share and support small businesses in our church.

Eastern Star has small businesses that includes: authors, business owners, mechanics, technology specialist, hair dressers, barbers, tutors, photographers, and so many other **independently owned businesses.**

Reach out to us! Contact information is on the last page. Send a flyer, business card, or just your name, type of business, business address, and how you can be reached.

We want to support you!

In Love,

*Pastor Vester Thompson, Jr.*
