

## Dogwood Lake Campground 911 Addresses

The 911 addresses shown on the following pages have been assigned to lots in Dogwood Lake Campground by the Warren County E911 Coordinator and should be used for all emergency 911 calls. In some cases, it was necessary to modify street names in the campground to avoid confusion with the same street names in other Warren County areas. Street signs in the campground will be replaced with new signs reflecting the name changes.

These 911 addresses are current as of June 6, 2018 and will be updated when changes occur.

<b>Revisions 6/6/2018:</b>	
Lot 171A	Addresses added
Lot 231	Address corrected
Lot 232	Address renumbered
Lot 233	Address renumbered

### NOTES:

1. Lots with a suffix of "A" are legally registered with Warren County with that suffix. (Exception: Lot 171A is registered by its legal description without a lot number. The lot number "171A" was created by Dogwood Lake for internal record purposes.)
2. Lots with the suffix "X" are designated that way by Dogwood Lake Lot Owners Association due to the basic lot numbers being duplicated on different plats. The "X" is used only to differentiate lots in order to keep track of them in our records and is not part of the lot number as registered with Warren County.
3. If you have already identified your lot with a 911 address, you should verify the address is still accurate as some were changed with this update. Questions regarding the 911 address assignments should be directed to Jack Smith (email address, [jacksmith7@yahoo.com](mailto:jacksmith7@yahoo.com)).

Jack Smith, Secretary  
Dogwood Lake Lot Owners Association
