

**Dogwood Lake Campground  
Warren County Assessor  
Parcel Numbers by Lot**

The following pages show the parcel numbers assigned by the Warren County Assessor to each lot in Dogwood Lake Campground, as well as the legal descriptions as recorded. The parcel number of a lot should be entered on the deed when ownership is being transferred.

This file was created directly from a file extracted from the Warren County database May 11, 2018: however, the following modifications were made for this publication:

1. The deedholders names and addresses were removed.
2. The "X" suffix was added to distinguish the lots whose numbers were duplicated between two different plats. This is used only for record keeping by the Dogwood Lake Lot Owners Association. The "X" suffix is not part of the legal lot number.
3. The "A" suffix is part of the legal lot number as recorded with Warren County and indicates multiple lots were resubdivided into one lot.
4. The "E" or "W" suffix is part of the legal lot number as recorded with Warren County and indicates one-half of one lot. In this case, one lot has two deeds with separate deedholders.
