232 The Day of Pentecost, they waited till they had Scriptural authority. That's right, 'fore they claimed anything, they knowed they had it. Didn't say—say, "Well, I—I felt a little sensation." They felt it, saw it, everything else. They knowed It was there. They seen It moving in them, working in them, talking through them, everything. It was there. They didn't have to presume nothing. It was there, talking for Itself.

# PRAISES & TESTIMONIALS OF ODCT

## **Sis. Simone Bombonatti**

“I've always harbored a strong desire to obtain my driver's license, but I faced numerous difficulties and experienced multiple failures along the way. After countless attempts, I began to lose hope, believing that it would be nearly impossible for me to obtain my license. However, I am grateful every day for God's provision of a shepherd in my life, Pastor Edmond Raphino. As much as I longed to acquire my license, Pastor Edmond shared the same zeal and determination for me to succeed. He anointed me with oil prayed for my success in obtaining the driver's license and commissioned me to embark on the process once again.

## **Bro. Pedro Joseph**

“The journey from Haiti to America was a testimony in itself, marking the beginning of countless blessings. In March 2024, I had my driver's road test scheduled. Naturally, I felt slightly nervous, knowing I wasn't the most skilled driver. However, I also knew that I serve a mighty God who listens to His children when they call Him. With the assistance and guidance of Pastor Edmond Raphino, I had access to all the necessary resources to prepare for my road test. Brother Naully, Sister Nadege, and Sister Kymi were crucial in my preparation. Every day, I dedicated myself to practicing and familiarizing myself with the rules of the road under their watchful guidance. As the day of my test approached, I prayed to the Lord, asking for a smooth and effortless process. I specifically requested an understanding and patient instructor and a relatively shorter test.

## YOUTH BIBLE STUDY

**This month the youth of ODCT are bringing in their questions about the word and studying the answers within the Bible and messages preached by Bro. William Marrion Branham.**

Here are some questions that were asked:

### **How do I resist the devil?**

64-0308 - The Token

149 The Token is the barrier, shows that the price is paid. If Satan tries to hand it to you...Just think of this. If Satan tries to hand you some sickness, or tries to hand you something, you know what to do? Show him your Token. Sure, sickness strikes the Christian. Show him your Token, and prove to him that you're a purchased product of God. "Resist the devil, and he'll flee from you." Hold the Token over your unmovable faith in His promised Word.

### **Influence of Others**

◦ Psalms 51

50-0827A - Prodigal

37 When I stole the first...?...out of a filling station, I didn't intend to be a thief." But only thing the devil wants you to do is to start, and he'll take you on. Get over on his ground one time and watch him. You know what it means to do wrong, but there's an influence of the power of darkness, the prince of the power of the air that leads you trapped into these things. You've got to stand up. Separate yourself from the things of the world and come out and live for Christ. That's right.

### **What does it mean to be salty in the Word?**

◦ Matthew 5:13-14, 1 Corinthians 3:16-17

57-0120M - The Impersonation Of Christianity

118 But, It controls. It makes you believe. It makes you act in such a way till you become salty. And the whole world thirsts to be like you. That's the Holy Spirit sitting in the middle of your spirit. It's the main spring. It's then that the yoke, that you are yoked with...

# GREETINGS TO ALL BELIEVERS

We are a group of believers with a common vision that has called us together and a sincere desire to establish a house of worship. Dedicated to preaching the Original Word as was delivered to us by the Prophet messenger William Marrion Branham.

We are the first message church in New England with many ministers working in the mission field from our post. We stand as a beacon shining in the New England area!

## NEXT STEPS FOR MESSAGE BELIEVERS:

### WHAT DOES THE SOLAR ECLIPSE MEAN FOR MESSAGE BELIEVER?

To discuss the solar eclipse, you must have heard of astronomy, astrology, the zodiac, and the almanac. It also has to do with physics and mathematics. There are two great astronomers well-known throughout the world: Johannes Kepler and Galileo Galilei. In a bibliography by Patrick J. Boner, he describes how 'their contributions to astronomy and physics remain the basis for many scientific discoveries today.' Both astronomers are known for their theories in the scientific world. If you don't know, a total solar eclipse is when the Moon comes between the Earth and the Sun, creating the projection of a shadow, which is what happened on April 8th. Many believed it was a sign of the end of the world or the rapture that will come to take us all away. But really, it was just a scientific event that happens every 2-3 years. When you talk about astronomy, you also have to mention heaven because that leads people back to the topic of a rapture taking place, which is why we need to discuss it.

#### Insights for Message Believers:

As message believers, we believe that the solar eclipse had nothing to do with the rapture. In Bro. Edmond's message titled 'Stars Declare What's Happening on Earth,' he debunks this theory. He quotes Bro. Branham (62-1104m Paragraph 70) that God wrote three 'Bibles': The first one is the Zodiac, the second one is the Pyramids, and the third is the Written Bible. He goes through the Bible and picks out scriptures that show how God speaks through the heavens to a group of people. He mentions in the Bible when the Magi (men that know the Word/priests that know the Word) were looking for a star in Jerusalem to worship King Jesus. He also debunks the theory of how the Magi found Jesus as a newborn baby, but in reality, they found him at 2-year-old. The Bible says when the baby was born, they saw a star rising, and it took the Magi a long time to reach Jesus. We as message believers don't have anything to worry about the solar eclipse. If God wanted us to know something, He would let us know through either dreams, visions, or prophecy. Just as God used these three for Abraham, He has been using them in our ministry. Hebrew 13:8
