S.E.T. Tools Halligan Bar

- Drop Forged high carbon steel crafted with pride by tradesmen who value the fire service!
- 100% Made and manufactured in the USA
- EVERY Halligan is tested for strength and quality to make sure standards are exceeded
- Used for forcible entry, overhaul, extrication, lifting and prying
- Our Halligan Bar comes “tuned” for forcible entry operations
 - Redesigned Adz with a smooth striking surface to eliminate awkward striking angles
 - Thin Forks with 1 inch spread between tines for removal of door knobs
 - Reference lines for depth when gapping and setting the tool
 - Squared off shoulders for a solid striking surface

WARRANTY - All Leatherhead Tools products having passed a rigid factory inspection are warranted against defects in materials and workmanship. Any Leatherhead Tools product that is abused, or used for purposes other than those for which the tool was designed, is excluded from this warranty. If a Leatherhead Tools product appears to be below our manufacturing standards, it may be returned to the factory. If the factory inspection determines that the tool is within this warranty, the tool will be repaired or replaced without charge.

ALWAYS WEAR SAFETY EQUIPMENT
WHEN WORKING WITH TOOLS!
