Phonics and Handwriting

We will finish our unit on long vowel rules this week. I plan to have a couple of review days to review short and long vowels before moving into r-controlled vowels.

In handwriting, we are focusing on writing our letters correctly in the lines. Many have needed reminded to slow down and form their letters correctly recently.

Bible

Before Jesus ascended to Heaven, he told his disciples they were to preach the good news of the gospel everywhere. This week, we will learn about the beginning of the church, and Peter's sermon on the day of Pentecost.

Memory verses for the week

Acts 1:8

Math

Our review unit on measurement is probably one of my favorites. We will enjoy several fun measurement activities throughout the next two weeks as we learn to measure with both standard and non-standard forms of measurement.

Heritage Studies

We are starting our last unit this week titled Garden Paths and Wondering Trails. This week, we will learn about what life was like when Jesus walked the earth. Friday will be Bible character day. The students may dress up as their favorite Bible character.

Important Dates and Reminders

April 1-4- Map Growth Assessment

April 8- No School

May 3- Field Day

May 10- Kindergarten Graduation

(details will be coming home in the near future)

May 23- Last day of school

Kindergarten Fun

We found out that making a bird nest is not as easy as the birds make it look. 😊
