Phonics and Handwriting

After a quick review of short and long vowel words, we will learn short and long _oo words.

We are working on reading with fluency. Your student can build fluency by reading aloud at least ten minutes each night.

Heritage Studies

Our country has an amazing history.

We will be reading about the discovery of North America, the beginning of our nation, and the symbols of freedom we have around our country.

Bible

We will continue learning about the life of Paul. We will be introduced to his new missionary partner, Silas.

Memory verses for the week

Ephesians 2:8,9

Math

We will continue counting sets of objects and identifying numbers between 1-39 before starting our unit on parts of a whole.

Important Dates and Reminders
