Classroom News

It is hard to believe that there is only five more weeks of school!

In Bible, we will learn about what the eighth commandment teaches us. In math, we will begin our next chapter over money. In English, we will learn more about the library and how to research. In science, we will start a new chapter over rocks and soil. In history, we will learn more about the state of Iowa.

We are officially done with state testing! Because the older kids will not be done until Thursday, we will not have chapel this week. We will have regular Bible class in its place. There will be PE and Taekwondo, as well as mileage club after school Tuesday and Thursday.

Field day is next Friday! Here are some important reminders about field day:

1. Free lunch is provided (hotdog lunch)
2. Students are to bring a towel and a change of clothes since there will be water activities in the afternoon.
3. Water bottles are essential!
