## Classroom News

Happy Solar Eclipse Day! I look forward to seeing this once-in-a-lifetime event this afternoon!

This week, there will be chapel on Tuesday, so make sure the students have their chapel shoes. There also will be mileage club after school this Tuesday and Thursday.

In Bible, we will learn more about commandment 8: You shall not steal. In math, we will learn more about perimeter and area. In English, we will address envelopes and mail our friendly letters. In history, we will continue completing our Indiana statebook project. In science, we will learn about the six types of energy.

This Wednesday morning, the students will be taking a state-wide practice test for iLearn. It is very important the students are on time and here for this practice test.

This Friday is an early dismissal day. Car line will begin at 2:15 and end at 2:30.

The only tests this week are the Friday spelling test and verse quiz. Next Friday, we will have a spelling test, verse quiz, and science test over energy.

Please remember to return the report card feedback papers if you have not yet returned those.

I hope you all have a fantastic week!
