## 5th & 6th Weekly Newsletter

### MATH

Mrs. Pascoe & Mr. Newton

5th Math: We are beginning a new chapter on customary measurement. This week we will focus on time and linear measurements.

6th Math: We begin this week with our 100th lesson out of 120, which involves addition of integers. On Tuesday we will investigate probabilities with compound experiments. Later, we will study ratio problems involving totals and look at mass and weight. Our next test is scheduled for Wednesday.

### SCIENCE

Mrs. Pascoe

We will continue our weather studies at the beginning of the week. At the end of the week, we will take a break from weather to learn a bit about the upcoming solar eclipse. A study guide for the Chapter 5 test will also go home this week.

### BIBLE

Mr. McOwen

In Bible class this week we will be reviewing for an exam on Thursday which will cover the content of section 4 about our identity in Jesus.

**Memory verse:** 1 John 2:15 (same as last week)

### READING & ENGLISH

Mrs. Baker

Reading Journals: The white, read-only journals are due on Tuesday. We will do a lot of writing in the next few weeks, so instead of doing the yellow journals, only the white, read-only journals will be required.

5th Reading: The students will begin a novel this week, *Little Pilgrim's Progress*. They will learn about the life of John Bunyan and his desire to reach others for Christ.

5th English: We will review various types of verbs.

6th Reading: We will begin *A Father's Promise*, a historical fiction novel, this week. This story is filled with action, mystery, and lessons on forgiving those whom we may consider "unforgivable."

6th English: The students will review pronouns.

### HISTORY
