

# THE MONOPOLY TIMES

## 5th & 6th Weekly Newsletter

### MATH

*Mrs. Pascoe & Mr. Newton*

**5th Math:** We will continue to review customary measurements to begin the week. The students have a good grasp of these, but they should continue to review the equivalencies for the test on Wednesday. Our next chapter will cover adding and subtracting fractions.

**6th Math:** After 4 days off for I-Learn, we will take Monday to review. We are off again on Tuesday as I-Learn testing concludes. On Wednesday, we will take our next regular math test, then end the week solving 2-step equations and calculating the area of complex shapes.

### SCIENCE

*Mrs. Pascoe*

The students will continue presenting their completed Extreme Weather projects at the beginning of the week. We will spend the remainder of the week reviewing for the Chapter 5 test on Thursday. Study guides went home last week.

### BIBLE

*Mr. McOwen*

We will continue investigating how Scripture tells us we should relate to one another. We will also discuss God's creative purpose for men in the creation mandate and the character qualities God desires for men. Following that discussion, we'll also look at Biblical womanhood.

**Memory verse:** 1 Corinthians 16:13
