

invites you to join us for the

2023 Megrew's Cup

448's Annual Fleet Race!

Hobie Cats & Sailors of all sizes and ages are Welcome!

Saturday, August 19, 2023 10AM

Compass Rose Beach Quonset Point, North Kingstown, RI

We would like to have everyone to arrive by 8-8:30 so we can spend time with you on the beach to encourage all of our newer and newest members to give racing a try in a very low-key, instructional manner.

From 9-10 we will have short talks on the beach. This will include an explanation of the course setup, getting to and through the start line, rounding marks, and the most important rules of who has right of way when 2 or more boats are approaching each other. Then we will go out on water where our members who know the basics of our fleet fun race will help you while we do a practice start or two.

The races will be short—about 30-40 minutes each. So we hope to do 4-5 races (wind permitting). We will be setting up the course right off the beach.

Paul Schmitt, our 448 member who has race committee certification, will again be the Principal Race Officer running the races for us.

After we hit the beach, there will be a late lunch/early dinner with the usual 448 bbq—a variety of meats will be provided & grilled by the fleet. Bring some snacks, a side, salads or dessert/sweets to share if possible.

Cost is \$15 per person. If neither the skipper or crew belongs to the HCANA, an additional \$25 will be charged per boat to cover HCANA event insurance.

\$10.00 per person for Sunday only for Bay Sailing in the West Passage
