

NATURE WALK PERMISSION AND RELEASE FORM

Playshare Pre-School believes in exposing our children to nature and educating them about the natural world.

Due to COVID-19, guidelines, Playshare Pre-School will be going on daily walks, that surround our preschool, to allow them to discover and acquaint them with the plants and natural specimens near us.

The flora and fauna that are found in and observed are incorporated into our curriculum. This experience establishes a concrete learning experience, which helps to provide a beginning understanding and respect for the natural world around us. **Please dress your child accordingly for these walks, as the daily outdoor time is a requirement.**

In order for your child to be taken on these nature walks, we need parental permission. Please indicate your preference below with a check on the appropriate line and return to our preschool:

I give permission for my child to go on short nature walks adjacent to Playshare Pre-School and consent to the release terms sent forth below.
