

CLOSE PROTECTION TRAINING AMMAN, JORDAN

BROUGHT TO YOU BY THE RIGHT TRACK GROUP

JORDAN INTERNATIONAL
POLICE TRAINING
CENTRE (JIPTC)

TRAINING PARTNERS

Jordan International Police Training Centre (JIPTC) was established in 2003 under the Direction of His Majesty the King.

The Primary Vision of JIPTC is to be an Efficient Modern Security Institution Supporting the Comprehensive Security at Local, Regional & International Level.

The Right Track Group of Companies have been in operation since 2006 and since its inception have grown to be a Global Provider of Security Training with Training Facilities and Affiliates from North America, Europe & Middle East.

At Right Track we not only provide Internationally Accredited Training but we also engage Security Operatives in some of the World's Most Austere and Hostile Environments.

CLOSE PROTECTION

Level 3 International Certificate in Close Protection

The Level 3 International Certificate in Close Supervision is a qualification aimed at providing learners with the necessary knowledge and understanding to work as a close protection operative within the private security industry.

It should be noted that the completion of this qualification does not permit a learner to apply for a SIA license to work as a close protection operative within the UK but rather it is intended for Operatives who wish to operate outside the UK

This qualification has been developed using standards from the HABC Level 3 Certificate for Working as a Close Protection Operative within the Private Security Industry (QCF).

Qualification Structure

This qualification is delivered through 13 Learning Outcomes

- Understand the roles and responsibilities of the Close Protection Operative
- Know the importance of threat assessment and risk management
- Know surveillance techniques
- Understand venue security operations
- Know how to design and demonstrate operational planning
- Know the importance of interpersonal skills
- Know the importance of teamwork
- Know the importance of reconnaissance
- Know how to conduct close protection foot drills
- Know the importance of planning and selecting routes
- Know vehicle movement tactics and operations
