

HIGH PROFILE EVENTS

Wedding Timeline Reference

Pulling from over a decade of experience, this reference is a great way to organize the timing of your wedding from Ceremony through Reception. Dancing before dinner is a MUST. Think of peaks & valleys for the overall flow throughout the Reception. Strong dance sets with time in between for people to catch their breath, grab a drink, chat with other guests or snap a photo at the photo booth.

Ceremony: 4 - 4:30 pm

Cocktail Hr: 4:30-5:30 pm
