

**Join us at the Workshop
to learn how to help your
community.**

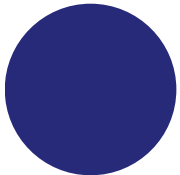

**There will be resources & ministries
present to share!**

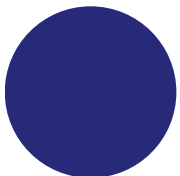

Experts in their
fields

State & Local
Leaders

Law Enforcement,
Service Providers,
Educators,
Churches & Pastors

And Victims of
Human
Tracfficking

**The more the public is aware, the
easier it is for law enforcement and
others to do their jobs. The more
assistance that is provided to
organizations meeting the needs of
human trafficking survivors, the
easier it is to treat and care for
victims.**

**Workshop is FREE
ALL are WELCOME!**
