

2. Our Sponsor

Special Shout out to Jones Financial Group for sponsoring our kids this weekend. Coach Matt and his whole family have been with N Zone from Day 1, This season alone he is coaching 3 teams and every season they are so devoted to our kids on the field, so it's only right we give him the opportunity to protect us off the field. Let's support our local super hero! Hear what he has to say.

I know you guys are seeing JONES FINANCIAL GROUP, and you're thinking Oh investment, but they DO THAT AND SOOOOO MUCH MORE! I've got my life insurance through Matt, and the best part is that rather than just getting one quote, he can literally shop for you to get you the best coverage at the best price. I'm 40 years old and I'm covered for 500k for only \$50 a month. So now if something happens to me, my family is taken care of. I don't know about you, but I always hated having insurance and having to call an 800# or speaking to a robot. With Jones financial I can literally text, email, or call and get a response instantly!

Now that I'm covered with insurance, I have an appointment with Matt on Tuesday to get my retirement covered. I can't be running around with the kids when I'm 80 years old, so I've got to start thinking about my future and my kid's future.

Book an Appointment NOW because their schedule fills up so fast. Imagine having compound interest to where you're a millionaire at the end of your work life when you retire, rather than living off 85% of your paycheck or getting a second pension or having to work until the very end. Matt and his family give so much back to the community. Please get your family protected and let Matt show you the real N Zone Family love.
