Mike Toluba
Campus Pastor

Our greatest desire is to share God's love on campus and to offer the hope of Jesus to as many young adults as possible. We remain steadfast to the vision that God has formed for our campus ministry. The love of Jesus compels us to be a distinctively Christian community, committed to the spiritual maturity of students, and to positively impact the FSU & TCC campuses and beyond.

We experience Christ centered community through worship, sharing meals, retreats, and spending a lot of quality time together. Through small groups, family groups, dusting relationships, and leadership opportunities, people encounter opportunities for growth in their spiritual maturity. The impact of serving others at Wesley, on campus, around Tallahassee, and in Guatemala can make a huge difference in the lives of our students.

I am so thankful for our students and staff that invest so much time, energy, and love into this ministry. I hope you get a sense of what God is doing among us in these images and stories. It is my passionate belief that once you are part of our Wesley family, you are always part of our family. Please call on me anytime for anything. I would love to serve you, pray for you, or be there for you in anyway I can be.

My cell is 850-544-7087. Hope to see you soon!

living in community

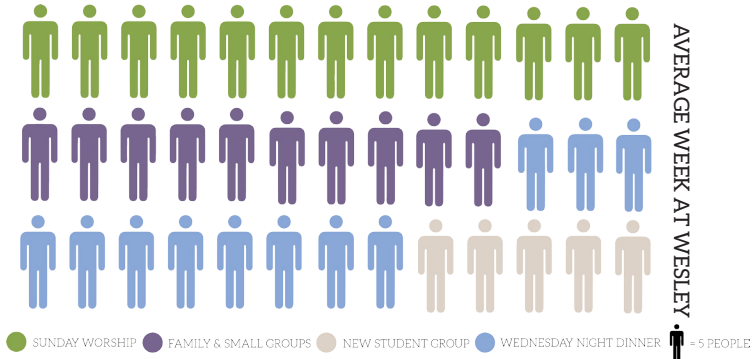

“Community is love
and for me,
that is Wesley.”
-Britton Stacey, Junior

“I believe there is something truly special about being able to walk into a space and feel loved and accepted and cared for immediately. Wesley is a community where that happens no matter what. A group of people who love fully and with a passion for growth. I love being able to call Wesley my home.” -**Austin Boyd, Sophomore**

“As an incoming freshman to FSU, I was timid to go to Wesley by myself not knowing anyone. After the first New Student Group meeting, being surrounded by so many welcoming faces and creating the most wonderful friendships, I immediately knew that I had found my home here.” -**Sarah Brennan, Freshman**

“Wesley has been a huge milestone in my personal journey with my faith. The people, the experiences, and the love within this community have made my college career a hard one to top, I’m forever thankful for this community for being my home.” *-Mia Ledford, Junior*

growing in maturity

“Wesley has had such a positive impression on my life. I have been encouraged to grow in my relationship with God. I have found an unbelievable group of kind and thoughtful people who are there to celebrate in the good and help with the bad. Through these relationships, I have learned to see God in my surroundings, friends, and family.”

“I chose to dive into a life of discipleship by joining Residential Staff at Wesley because of the unique joy I found here. This campus ministry has invested in me and given me the opportunity to be a leader.

It provides me with a home and surrounds me with an enriching environment of Christian fellowship. I strive to pour out the blessings that I’ve received on others and reflect the love of Christ through service and my position on the local missions team.

I look back at my time in school and recognize the personal growth I have experienced and continue to experience here.”

“Wesley could not have been more impactful on my walk with Jesus and my future. Here at this ministry I more fully experienced the power of the Holy Spirit, solidified my call to ministry, fell in love with my wife Leah, and made lifelong friendships. Wesley gave me fertile soil to grow closer to God, grow in ministry, and grow in my relationships.

Thank you God for my season at Wesley!”
