Any balances over 30 days past due will be charged a 1.5% per monthly service charge until paid in full. Any boats dry stored will not be launched until all bills have been paid in full.

The granting of storage hereunder is with a distinct and definite understanding, and the undersigned hereby agrees that The Landing at Oceanport assumes no responsibility whatsoever for personal injuries sustained by the undersigned, or any of the undersigned's guests on any part of the marina property, and assumes no responsibility for the safety of any vessel and/or trailer stored at the marina, and will not be liable for fire, theft, flood, windstorm, snow, ice or any other cause of damage to said vessel and/or trailer, its equipment, or any property in or on said vessel, however arising, reserving to The Landing at Oceanport the right to assume control and charge of any vessel and/or trailer for the protection of life and property in abnormal conditions or during catastrophes. All rental spaces will be assigned at the sole discretion of The Landing at Oceanport based on availability and best fit. The Landing at Oceanport reserves the right to relocate boats and/or trailers at its sole discretion. Rental areas may not be sublet or loaned. Any rental areas not occupied by a customer will revert back to the marina.

Boat and/or trailer owners will be held responsible for their conduct and that of their guests. Competitive labor and/or paid workmen are not permitted on the property without written authorization from The Landing at Oceanport and must provide proof of insurance and sign-in at each visit. Boat and/or trailer owners are permitted to personally perform work on their own boats and/or trailers, provided they do so in accordance with paragraph five (5) in the attached rules and regulations.

In the event the boat owner is unavailable for the launching and/or hauling of the boat, The Landing at Oceanport and/or Jersey Shore Marine Group will facilitate the launch and/or haul but will assume no responsibility for any damage caused by said moving of boat and/or improper tie-ups. Boat owners are responsible to see that boat is properly tied in slip.

The undersigned agrees to hold The Landing at Oceanport harmless for services rendered by Jersey Shore Marine Group and its employees, as well as all Outside Contractors who may perform services on the undersigned's boat, when applicable.
