- ▶ Tea Tree Oil for natural antiseptic properties
- ▶ Deep penetration with DermaDive™ technology

Benefits:

- ✓ Infection control and prevention
- ✓ Accelerated wound healing
- ✓ Reduced discomfort and irritation
- ✓ Suitable for various skin conditions
- ✓ Ethical sourcing and responsible formulation

PainRelievePRO

Experience the power of natural pain relief with PainRelievePRO. With 10% Menthol, Arnica Montana, and DermaDive™ technology, it provides rapid, versatile pain management that's easy on the skin.

Key Features:

- ▶ Powerful blend with 10% Menthol for rapid pain relief
- ▶ Natural ingredients, including Arnica Montana and Jojoba Esters
- ▶ Deep penetration with DermaDive™ technology
- ▶ Non-greasy, easy application
- ▶ Versatile pain management solution

Benefits:

- ✓ Effective pain relief for residents
- ✓ Enhanced skin care with natural ingredients
- ✓ Non-pharmacological pain management
- ✓ Improved resident comfort and mobility
- ✓ Compliant with healthcare regulations

TheraBLAST

For immediate pain relief, turn to TheraBLAST. With 4% Lidocaine, 1% Menthol, and deep penetration technology, it's the ideal solution for localized pain and discomfort.

Key Features:

- ▶ High potency with 4% Lidocaine for fast-acting pain relief
- ▶ 1% Menthol for added cooling comfort
- ▶ Rapid absorption for quick relief
- ▶ Ideal for localized pain and discomfort
- ▶ Deep penetration with DermaDive™ technology

Benefits:

- ✓ Immediate pain relief for residents
- ✓ Non-addictive and safe for regular use
- ✓ Easy and targeted application
- ✓ Enhances resident comfort and quality of life
- ✓ Complements other pain management strategies
