The recipient can then use the card to buy food or beverages at Abaco .

Please note that you can only purchase goods and items from the site the gift card was purchased at.

Gift Card Terms & Conditions

The value shown on your receipt is the total value on the gift card. If you use a gift card for full or part payment on an order your latest receipt will show the total value left on the gift card.

If you wish to use a gift card to pay for an order, then the gift card balance must be used in full before you can select another payment method. Eg. £20.00 bottle of wine and a £10.00 gift card. You cannot use £5.00 off the gift card and £15.00 cash. You would have to use the full gift card amount of £10.00 and then £10.00 cash.

Gift cards can only be redeemed at the site they were originally purchased from.

Gift cards are only valid for 12 months and will expire after 12 months. After 12 months the card will be reduced to £0.00 and cannot be altered.

Gift cards can be recharged at any time over the counter. A new 12 month expiry date would be set.

Gift cards are non-refundable once purchased.
