

OFFICIAL NEWSLETTER OF THE SOUTH DAKOTA SOCIETY OF RADIOLOGIC TECHNOLOGISTS (SDSRT)

ASRT NEWS

The annual House of Delegates met on June 20st-23th in Orlando, Florida.

A hot topics discussed at the meeting:

Updates on using fetal/gonadal shielding.

ASRT position on topic:

Keep using fetal/gonadal shielding on patients.

More research will be done, questions will be asked, and all new information will be later evaluated for any changes to the ASRT's current position.

BILLIE WICKS

Post-SDSRT Conference Board Meeting

The Post-Conference Board Meeting was held on **June 18th**.

Main topics that were addressed:

President's Report: Presented by Bob Hagen

With the incoming group of new officers, an effort is being made to consolidate all of the information each board position has to help them stay efficient and to eliminate redundancies.

Conference Report: Presented by Karen Otterberg

Turn out for the Deadwood SDSRT conference was great, and Karen has plenty of suggestions to help next year's conference become even more efficient.

Fall Meeting: The next board meeting will be our Fall meeting to be held in Chamberlin with the date TBA.

A Message from Student Intern Billie Wicks:

I thought the conference was such a good experience. I didn't know how much time and commitment was put into this society. It is amazing to see how professional this group is.

Even though this society is professional, everyone still knows how to have a good time.

This experience lit a fire under me. It has made me realize that there's so much more than just getting my degree and starting my career. I love being involved and I can't wait to make a difference in this profession.

All in all, this experience is one I will never forget!
