## Summer 2020

### President's Memo:

Hello Members! I hope your summer is going well despite all of the interesting things that 2020 has brought us so far. We've navigated through our own set of challenges this year and are working hard to keep things on track for you. The Annual Business Meeting held via Zoom on May 16<sup>th</sup>. This was uncharted territory for us, but Zoom allowed us to facilitate a productive and well attended meeting. We approved amendments to our Bylaws, closed out the business for the previous year and shared our vision for the upcoming one. ASRT Speaker of the House Mr. Joseph Whitton was also in attendance, and we were honored to have him officiate the installation of our new officers.

We've got some new and exciting things in the works for our members this year! A fresh, new website is in the works and will go live in July. A new format for providing education to SDSRT Members is also in development. Much more to come on that, and I think you'll really like it! Our newsletter has been updated and will now be send out quarterly. For up to the moment information on what's going on with the SDSRT, make sure you're following our Facebook page (now just under 700 followers strong!).

Nominations are open for positions on the Board of Directors until October 1<sup>st</sup>. We've got opportunities for every level of involvement on the Board, including: President-Elect, Vice-President, Secretary, Treasurer and ASRT Delegate. Let me know if you'd like more information or if you're interested in running for one of these offices. We'd love to have you!

Sincerely,

Kevin Lawrence  
SDSRT President

### [www.sdsrt.org](http://www.sdsrt.org)

Our website is home to a ton of information about the SDSRT and is a key resource to our members. We've got information for upcoming events, scholarships, student internships, meeting minutes and so much more! We thought it was time to freshen things up, so we're working hard to bring you a brand new website that'll present all of the information that's important to you in a helpful format that's easy to navigate.

Stay tuned for a brand new [www.sdsrt.org](http://www.sdsrt.org) coming to an electronic device near you in early July!
