Our mission: To provide a complete disclosure on the Value, Condition and transferability of Title for residential homes.

Property Address: One Main Street, Anytown, USA

Date of Completion: February 10, 2020

Some data and information in this report is publicly available and/or licensed from third parties and is provided to you on an "as is" and "as available" basis. The information has been verified to the best of our abilities but the data contained herein should not be used as a substitute for a general building inspection, bank appraisal or title report or for other commercial purposes such as obtaining loan financing. Any valuation shown in this report has been generated by use of proprietary computer software that assembles publicly available property records and certain proprietary data to arrive at an approximate estimate of a property's value. Certified Home and its information providers shall not be liable for any claim or loss resulting from the content of, or errors or omissions in, information contained in this report.

Certified Home Summary

Value of Home

Range of Value: \$521,000-\$550,000

Careful consideration was given to all factors which tend to influence value. Due to the availability of the most recent sales and supportive market data, the value indicated by the sales comparison approach was adopted as the final estimate of value. Therefore, based on what has sold, it is our opinion that as of the Effective Date, February 10, 2019, the subject property has and Estimated Value Range of \$521,000-\$550,000.

Confidence Rating:

\$539,000

Overall condition of property rating: GREAT

Title Health

Title Company: ABC Title Company, Anywhere, USA

"We have carefully searched the records in the Registries of Deeds and Probate and (where applicable) the Office of the Clerk of the Superior Court for Hometown County, and the following abstract sets forth all entries pertaining to the title to the locus which were properly indexed therein from June 17, 1994 to the date below. Unless otherwise noted herein, all conveyances were properly signed, sealed witnessed and acknowledged and homestead, dower and curtesy were properly released (where applicable). Inquiry should be made as the possible existence of unrecorded liens, rights and encumbrances. This does not constitute a guaranty or opinion of title".
Official records book 8538, page 1856

Transferability of Title rating: EXCELLENT

Overall Home Rating:

EXCELLENT

Market Health Charts and Comparisons

Median Estimated Home Value vs. Median Listing Price

This chart compares a ZIP code's median estimated home value with its median listing price. Estimated home values are generated by a valuation model and are not formal appraisals.

Data Source: Public records data; listing price data from on- and off-market listings sources

Update Frequency: Monthly

■ Median Estimated Value
 ■ Median List Price

Median Listing Price vs. Listing Volume

This chart compares the listing price and listing volume for homes in an area. Listing prices often follow listing volume, with a time lag, because supply can drive price movements.

Data Source: On- and off-market listings sources

Update Frequency: Monthly

- Median List Price
- Listing Volume

Listing Inventory

This chart shows the number of For Sale listings in a ZIP code.

Data Source: On- and off-market listings sources

Update Frequency: Daily

- ZIP Count Listings by Property Type

Median Sales Price vs. Sales Volume

This chart compares the price trend and sales volume for homes in an area. Home prices typically follow sales volume, with a time lag, since sales activity is the driver behind price movements.

Data Source: Public records and listings data

Update Frequency: Monthly

- Median Sales Price Public Records
- Median Sales Price Listings
- Sales Volume Public Records
- Sales Volume Listings

Median Sales Price by Square Footage

This chart shows the median price of homes reported sold in the past six months, according to the size of the living space (square footage sourced from public records). The amount shown for the subject property is sold data where available, or the property's estimated value when sales data are unavailable (such as non-disclosure states) or provided in range format.

Data Source: Public records and MLS data where licensed
