SKIN CARE SERVICES

LED Light Therapy (\$20) Light therapy is used to treat a variety of different skin conditions, such as aging, acne, pigmentation, and redness. Can be added to any service or as a stand-alone service.

Express 30-minute facial* (\$50) This treatment is similar to the 20-minute facial but with a twist. If you are experiencing dull/congested skin but don't have a lot of time, book this treatment. Includes double cleansing, light exfoliation with few extractions, masque, and re-hydration. Customized product selection (based on your skin needs) this facial will have you feeling renewed and clean.

Full-service facial – 60 minutes* (\$80) This treatment will leave you feeling like you have a brand-new face. Using a customized product selection, (based on your skincare needs) this treatment helps deep clean and reset your skin's inner glow! Includes double cleansing, pre-treatment with steam to loosen clogged pores, extractions, high frequency (sanitize skin), exfoliation, more high frequency, facial massage and cooling mask. You will absolutely fall in love with your skin after this treatment.

Brow Lift Microcurrent (non-surgical) (\$30) Look years younger in minutes with this non-surgical, instant brow lift. Using microcurrent technology this treatment helps tone and lift your brow and eye area. This treatment can be added to any facial or as a stand-alone treatment. Includes product application (anti-aging) to brow area and using microcurrent technology to re-educate muscle location for toned brows.

Cocktail Lift Microcurrent (non-surgical)* (\$75) Look years younger with this anti-aging, non-surgical cocktail lift. Designed to lift, firm, and plump your whole face in just 30 minutes. Turn back the clock and feel like yourself again. Includes double cleansing, light exfoliation, microcurrent lift, and product infusion with rehydration.

Bio Ultimate anti-aging facelift (non-surgical) - 70-80-minute* (\$125) This is a non-surgical facelift designed to re-educate your facial muscles and take years off your complexion. Bio-therapeutic has a patented technology to isolate each muscle group in your face and neck. This treatment lifts and firms your face and neck.
