500 Years Ago

***In The Year 1492
Columbus Sailed The Ocean Blue!***

So many of us know this popular phrase.
~BUT~

What happened during the time between when Columbus discovered America in 1492 and when the Pilgrims landed on Plymouth Rock in Massachusetts in 1620?

**THE AMERICAS WERE EXPLORED
BY EXPLORERS FROM EUROPE!**

The Spanish Explorer, Ponce de Leon, was the first European Explorer to discover the land we now know as the state of Florida! Ponce de Leon landed on the Florida coast on April 2 in the year 1513. He landed somewhere between St. Augustine and Melbourne Beach. Nobody is certain where he landed, and historians differ in their beliefs. He thought the land was actually an island instead of a peninsula. He called the land he discovered **LA FLORIDA!**

BUILDING A LARGE PROP

A “prop” is an item that an actor carries or uses on stage.

Many times, your props are small, but sometimes they are large.

For FLORIDA TREASURES, we needed to build a treasure chest prop.

If you are going to build a box for a show, it is important to know all the items we will need to fit in the box. We knew that the treasure chest would hold long swords, so Don made a tape line on the floor to make sure his measurements were correct BEFORE he went to buy the wood for the box.

We wanted the wood for the box to be both light and strong. We needed the box to not weigh too much, but it had to be sturdy for the performances.

In this picture, Don is working to securely build the box. He used nails, screws, wood glue, putty, and brackets to make the box a strong structure.

TREASURE CHEST

Theatres have to use MATH SKILLS too. Don used geometry (the math that figures out shapes) to build the box. See how Don’s measurements worked out perfectly. The sword will fit into the treasure chest, and we will have room for all of the other props that must come out of the box during the performance.

The last step is painting and “dressing” the treasure chest. In the photo, Don is painting the box to look like the old wood of a treasure chest washed on the beach. After he finishes painting, he will add items, like leather strap pieces, to “dress” the box in order to make it look like a treasure chest.

Memory Match Game

To Play:

Cut out each memory card. Place the cards face down. Mix the face down cards.

Turn over two cards. If they match, keep the cards faced up. If they do not, turn them over and try again.

All About The Actors

Noel Holland & Don Gruel

You will be seeing professional actors!

That means they act for their jobs!

An interesting fact about the actors:

They started acting when they were YOUR age!

NOEL HOLLAND– I cannot remember a time when I was not singing. As a child, I would sing to anyone who would listen– if nobody was there to hear, I would sing to myself! I started acting and dancing because I loved performing on stage. My sister and I would put on plays for our parents in the living room! When I was in middle school and high school, I decided that I wanted to be a performer. After I graduated college with a degree in music, I became a professional actor- working for theatres all over the country. Now, I have my dream job– owning a theatre. I am so proud to be a part of the Atlantic Coast Theatre For Youth. It gives me all kinds of opportunities to sing, act, write songs, and use my imagination. I so enjoy creating shows that children love because I loved theatre and music so much when I was a child!

Noel & her little sister, Meredith, putting on a play for family.

Don as the Easter Bunny in his 3rd Grade School Play

DON GRUEL– I grew up in Beaufort, South Carolina. When I was little, I would make up plays using my “Star Wars” Action Figures as the actors. I started doing school plays when I was in Kindergarten, but my first play outside of school I was in the musical OKLAHOMA when I was 10 years old. I really liked the feeling of being able to pretend to become other people in other places. I kept doing plays throughout Middle School & High School and decided to study Theatre in college. I graduated from the University Of South Carolina in 1993 and have worked in professional theatre ever since. I have always loved using my imagination. As an actor, I get to be creative every single day.

You can try acting too!

Get involved in a play at school or in your community!

ACT For Youth loves to receive letters from our audience!

You will write letters all of your life!
You will write letters in school, to
correspond with friends and family,
and for your job one day!
It is very important to know
how to write a good letter.

Your teachers may want you to
write your letter in a proper
letter-writing style or format.
Here is an example of one style!

**Your Opinions Count!
They Help Us When
We Write
New Shows!**

Dear Audience:

The Atlantic Coast Theatre For Youth would like to thank all of you for showing us such fantastic audience manners during the show! Everyone was so respectful during the performance. You laughed when things were funny, but you were also able to quiet back down so that everyone could hear. I don't think that we heard anyone talking while the actors were on stage. That was great! You made our job so much fun.

Thanks so much! You were wonderful!

Sincerely,

Don Gruel & Noel Holland

Get your letters to your teacher or the school office so they can mail them to ACT For Youth (or the sponsor of the show).

PRE-SHOW ACTIVITIES

- You will be seeing a live theatre production. Discuss the difference between watching a live performance and TV or Movies. What “THEATRE MANNERS” are required when watching a play?
- Familiarize yourself with the FLORIDA HISTORY TIMELINE and the FLORIDA MAP found in this study guide.
- Talk about our state of Florida. What do you like about living in Florida? What do you think tourists like when they come visit our state?

POST-SHOW ACTIVITIES

- HISTORICAL JOURNAL ACTIVITY
 - ♦ Imagine that you are JUAN PONCE DE LEON, the first European Explorer to set foot on Florida. (Remember that this is 500 years ago!)
 - ♦ First imagine that you are on the Spanish ship. What do you see? How does it feel when the waves rock the ship?
 - ♦ Write a journal entry about the journey on the ship.
 - ♦ Then imagine you have reached the land that you named “La Florida”. Think about what you see, smell, and hear as you walk onto the land. How do you feel about this new land?
 - ♦ Write a journal entry about your exploration of “La Florida”.
 - ♦ Share your journal with the other explorers in your class.
- Read the page about Atlantic Coast Theatre’s Don Gruel building the Treasure Chest Prop. Afterwards, complete the “Prop Building Activity” worksheet provided in this study guide.
- Play the MEMORY MATCH GAME provided in the study guide. While you play, can you remember the details from the play and how they correspond with the pictures on the memory match cards?

MORE POST-SHOW ACTIVITIES

- **COMPARE & CONTRAST**- Think of other history stories you have read or watched as a film or TV show. Discuss as a class how the play and those stories were the same and how they were different.
- **WRITE A STORY**- What happens next in the story? It is up to you. Choose one of the characters from the show. Write a short story about what happens to the characters after the play ends.
- **ACT OUT A CHARACTER**- Choose a favorite character from the play and act it out. Use your own imagination to choose how to play the part. You can even choose characters who are mentioned and never shown on stage.
- **BE A SCENIC DESIGNER**- The scenery for the show you watched was designed specifically to help tell the story on stage. The Atlantic Coast Theatre is a touring theatre company, so at the end of the show, everything must be packed up and taken to the next performance location. Choose one of your favorite stories and design the scenery. Think about how it will go together for travel, and how easy or difficult it will be to pack up.
- **YOUR REVIEW**- Discuss your thoughts on the show. What were your favorite parts? What elements of the performance helped to tell the story.
