I was a football and basketball player in high school and fondly remember much of my time then. Not that I would go back to being 17, mind you. There are many things that a young person endures that most of we adults would just as soon forget!

I do remember something my football coach would say, challenges are merely opportunities in disguise. This bit of wisdom was usually dispensed after one of our frequent losses. I suppose that to my 17 year old mind, the opportunity lesson that presented itself after our 3 and 8 season was that I should study more and not rely on my athletic skills to make it into college!

Our division has had a couple of challenges in the past month or so. The first was that our sister club, East Ventura, decided that after 60 plus years that they simply could not go on and turned their charter back into Kiwanis International. It is with a heavy heart that we watch them shut their doors and move on. But from this challenge has come the encouragement of seeing Ventura Downtown step up to take in East's SLP clubs and adopt them as their own. Several of the East Ventura club members continue their Kiwanis experience by shifting their membership to the Ventura club as well. Other area clubs opened their doors to take East Ventura members under their wing. And from the ashes of the East Club, a newly invigorated Santa Paula club may arise. Opportunities are there for the finding. Work has started on chartering a new club in Agoura Hills. Meetings have been scheduled with movers and shakers and the Kiwanis brand is being test marketed. Wish us luck!

Another challenge that arose this month was that our Lt Governor –Elect, Lou Cunningham, found that he was unable to continue in his role. But from this challenge new leaders have emerged who seized the opportunity and stand poised to take the helm of our division in the future. Nick Esser, has thrown his hat in the ring to be elected Lt. Governor Designate, and Kathi Van Etten has stepped up to stand for Lt. Governor Elect in our election to be held in April at our DCM. Both Nick and Kathi hail from the Simi Club and Nick, Past President 2012-2013, has been the web master of our excellent Division website this year. Kathi is heavily involved in the Simi Club's Round-Up Country Music Extravaganza. Both candidates bring their enthusiasm and love of Kiwanis to the table and will leads us into the future. If you, too, would like to accept the challenge and run for Division office, contact Immediate Past Lt. Governor Brad Lewis and join the team.

From my perch 45 years hence, I don't remember all the wins and losses as a high school football player. But I do remember that challenges are merely opportunities in disguise. It was true then and, as we move forward in our division, true now.

Kiwanis Club of Camarillo

Reporting by Allen Grizzard-Paul

New Member Induction!

At the second meeting in March our Membership Chair Joe Dilibert inducted our first new member for the year. Ryan Tape is a CFP who has just moved to Camarillo and he quickly showed his sales skills by talking local stores into displaying our poster announcing the “Special Needs Playground” that Camarillo Kiwanis plan to install to celebrate Kiwanis International’s 100% Birthday.

The following week, Vice Mayor, Mike Morgan joined our meeting to give a City Update. One of the hot topics is the plan to build a desalination plant to capture the millions of gallons of water sitting beneath the City and surrounding area.

APRIL EVENTS:

April will be a very busy month for our club starting with an Information Booth at the “Easter Eggstravaganzer” on the 4th. We hope to generate a lot of interest in our “Special Needs Playground” and hopefully find some potential new members.

We will be providing Breakfast for the Relay for Life of the 12th.

On the 19th we have a joint project with Thousand Oaks Club to provide Pancakes for 3,000 Runners and volunteers at the Autism Race to be held at CSUCI.

Please note:
If any club has a griddle that we could borrow for this event please contact Allen Grizzard-Paul, 805-795-6279. We will have two, but with that many pancakes another one would be very helpful.

Anyone left standing will hopefully join the rest of the Division at the Special Olympic events during the last weekend of the month.

We had an evening social on Friday, March 13, with a pinot noir blind tasting. It was fun to spend the evening with our members who are not able to come to our Tuesday noon meetings.

As we do every other month, we prepared and served a dinner and provided snack items for the next morning for the Lutheran Social Services Meal and Shelter Program on March 26 at the Chinese Christian Church in Thousand Oaks.

Our club bestowed Honorary Membership on Malinda Young, faculty advisor to our Builders Club at Sycamore Canyon School, for all the wonderful leadership and inspiration that she has given to the 60 members of the club.

Our Seventh Annual Trivia Night is Thursday, April 23, at BJ's, to benefit our Foundation. No-host dinner will start at 6:00, with the games at 7:00. Get a team of 4 together and join us! And bring the flyer so that BJ's will donate 15% of the proceeds.

Alex Flores, Ag Academy, FFA advisor honored as Citizen of the Year

By Peggy Kelly
Santa Paula Times

Alex Flores is known by many titles, from Agriculture Academy coordinator and Future Farmers of America advisor to Dr. Alex for his touch in working with ill animals.

Now Flores can add Citizen of the Year to the list after the Chamber of Commerce honored him last week for a myriad of community service.

Flores was lauded March 18 at the annual Chamber Awards Luncheon held at the Limoneira Visitors Center. Also recognized were Large Businesses of the Year California Resources Corporation and the hometown Santa Paula Community Bank and Small Business Fria. Familia Diaz was honored with the Sam Edwards Lifetime Community Achievement Award and Citizens for a Safer Santa Paula were recognized with the Community Service Award.

Chamber President Fred Robinson presented the award to Alex, a native of New York who despite his boyish appearance has

taught at Santa Paula High School for 16 years.

Flores teaches agriculture, serves as the FFA advisor and coordinates the Agriculture Academy and, noted Robinson sets the example of community service emulated by his students.

"I've known Alex a number of years and he's very humble and unassuming," said Robinson. "He is shy, doesn't like the spotlight but Alex exemplifies what a teacher should be," including "building the character" of his students and not just raising their academic skills.

Future Farmers of America students presented Flores with a gift basket filled with his favorite items and noted their admiration and affection for their advisor.

Those that nominated Flores offered numerous reasons for his selection: one noted "Alex instills in his students the value of community service, respect, and the importance of personal appearance. His students look you straight in the eye, and offer a firm handshake ..."

Flores and his students "always prepare a large entry of

livestock each year for the Ventura County Fair," and the Santa Paula FFA "has been one of the highest honored youth organizations at the fair. His students always win many awards, and the entries bring the highest return on investment."

Flores, read a nomination, "spends many hours, including evenings and weekends with his students, ensuring their animals are well tended, properly fed, and exercised as needed. For his touch in working with injured or ill animals, his students have nicknamed him 'Dr. Alex.'"

"Alex always brings his infectious smile and warm personality to work each and every day, and offers hope and encouragement to ensure that his students are fully prepared to be successful and productive citizens in life ..."

And "Alex teaches by example, always volunteering at community events, including Moonlight at the Ranch, The Rotary Club Pumpkin Patch,

Santa Paula Chamber of Commerce Citizen of the Year Alex Flores wanted the Future Farmer of America he advises to stand with him as he made remarks in which he shared credit with his students. Flores, a Santa Paula High School teacher and Agriculture Academy coordinator, received a gift basket from the FFA filled with his favorite goodies among other honors at the March 18 Santa Paula Chamber awards celebration.

Alex:

Kiwanis Citrus Festival, Bike Path clean up, and much more, always working side-by-side with his student volunteers."

Although the FFA always accepts donations, monetary return has never been a factor in Flores and his group's wide community service.

Flores told the chamber that "First and foremost I want to introduce my wife Laura ... she does exist! And my mom is here as well."

And Flores asked that the FFA members that had presented him with the gift basket — and whom typically were helping at the chamber event — "To stay up here," as he could not do his

community service without them.

"Wherever we are," Flores said students' work hard to be a part of and to benefit their community, often accompanied by their parents who show a higher interest in their children's activities and well-being.

Flores said he is "thankful" for the selection of Citizen of the Year but admitted to wondering "why, why me?"

There are many leaders that help shape the world but it starts with the sense of community and teamwork in acting with others to help others.

And, noted Flores, "When the kids help out," they all experience leadership, and as they go on

to college they fine-tune their activism. And, when they return to Santa Paula, Flores said they would return as better leaders capable of helping the community in even more ways.

Flores is so admired that in 2011 he was honored as the Chamber's Educator of the Year and in 2012 SPHS students selected him to be Grand Marshal of the Homecoming Parade.

Flores, who has two children, Elijah, 10 and 7-year-old Emma, also received proclamations from the offices of Ventura County Supervisor Kathy Long and Rep. Julia Brownley.

The program teaches students- a student is killed by a drunk diver every 15 minutes, sometimes that drunk driver is a student. Sad story. Great program. We are happy to be part of this community service for young adults.

100 Year Project

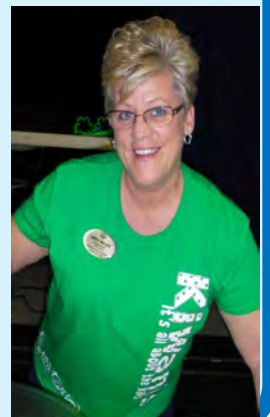

As its One Hundred Year Kiwanis International Anniversary project, The Kiwanis Club of Simi Valley partnered with The Painted Turtle Camp and made 100 blankets and 100 turtle pillows for kids battling major illnesses.

At the March 7th project, over 60 volunteers including members from the Key Clubs, Builders Clubs and Aktion Club happily tied the blankets and stuffed and sewed the pillows. Donna Rahgoshay, President of the Simi Valley High School Key Club was happy to see the great turnout. "I didn't expect this many people from my club to come," said Rahgoshay, "Others deserve things that we take for granted. The kids will appreciate knowing that we made these for them and knowing that we care." *The Painted Turtle* is a Lake Hughes, Calif.-based camp co-founded by late actor and philanthropist Paul Newman that provides a camp experience for youths with chronic or life threatening illnesses.

LCR Night of FUN

A fun time was had by the Simi Valley Kiwanis Club and friends at the seventh annual LCR game night. Over 130 guests, donned in their green attire participated in the annual St. Patrick's Day fundraiser. The lads and lassies of the club cooked and served up a tasty corn beef and cabbage dinner with all the fixin's. The evening was full of fun, games and a special performance by a talented group of young Irish dancers.

In addition to our members, this full-day event includes participation from all our area Key Clubs both in organization as well as in forming teams to play each other. College teams participate as well and inevitably, the Game of the Day... **Kiwanis vs. Rotary.** Kudos to Evening Member **Cristy Warner** for spearheading this incredible effort that this year, raised an estimated \$6000 for Manna!

"TEACHER DAY" AT THE GOVERNOR'S VISIT!

CNH Governor Alan Guire and First Lady Melissa braved the So Cal traffic and miraculously made it from the Circle K D-Con to the beautiful River Ridge Golf Club in record time. After a terrific report from our Governor, we were delighted to have him on hand to help President San Lee bestow two well deserved Distinguished Service Awards. First, to Kiwanian Sherrill Hyink, a middle school teacher who created a service club before she knew about Builders. When she learned about Kiwanis... she simply moved her club into Builders and a star was born or more precisely, "The Kween". Retirement gave Sherrill the ability to shepherd not one but two Builders' Clubs, one high school Key Club and a Kiwins club as well! Congratulations, Sherrill!

As if following an intended theme, the second T.O. DSA was presented by Immediate Past Lt. Governor Brad Lewis, to Mr. Todd Creason, the Oak Park High School Key Club's Faculty Advisor. Mr. Creason has been the Key Club advisor for ten years and said that seeing all that the Key Club kids do, actually encourages him to strive to do more service. With over 100 members, the OPHS Key Club is one of the largest clubs on campus and Brad Lewis is proud to be its Kiwanis Advisor.
