I hope that everyone had a warm fuzzy Valentine's Day. Lorraine and I went up to Redwood City to visit Andy and Ally, and the twins.

We had a very nice DCM last Thursday. Santa Su hosted, and, as you might expect, the food was wonderful. At the last minute, Nick Esser was unable to present his program due to a bout of the flu. He will be back soon, no doubt. Gloria Dyok (Thousand Oaks) and the ubiquitous Debbie Heaslip (Santa Susana) ably filled in for him, taking the 40 or so in attendance through the proper operation of the Division 42 on-line calendar and its virtues (encourage other clubs to attend/assist; avoid conflicts with other clubs' events, etc.), and required reporting by club secretaries via the KI Secretary's Dashboard. The material was useful and there were many helpful questions (and answers).

Lorraine, Debbie and I visited kidSTREAM on Tuesday the 18th, and were able to see the portion that is open and in operation. It was heartwarming to see so many kids having so much fun reading to dogs, transmitting puffballs by vacuum tube, dressing up as astronauts, and many other activities.

We met with Kristie Akl, who addressed our October meeting, and she advised that they have found a new, very well-qualified Director for the Center. You all will be meeting Kristie again at the DCM we have scheduled for the kidSTREAM building on May 14. We have also been discussing possibly holding a Division-Wide picnic on the kidSTREAM grounds in July, perhaps to tie in with Governor's visit, and we'll discuss this at the next DCM.

I was pleased by the strong turnout from this division at the Mid-Year Conference, and we heard from several attendees regarding their experience.

I am also pleased by the increase in membership of the clubs in the division. We are up 12 members as reported to KI so far this fiscal year, with another 12 new members in process. T.O. and Ventura Suburban have led the way. From my conversations with club leadership, it is clear that the increase is being driven by new members who are taking advantage of more flexible club meeting schedules. Let's keep up the good work!

- Don

In January, our President, Doug Hill (left, with VP Bob Kelly,) held his annual Football Party with over 100 people in attendance. This year we made a half-time pitch on what Kiwanis is all about, resulting in a couple of leads that we are following up on.

Also in January, the KIWIN'S held their DCM in a park in Oxnard where they cleaned up books that they had collected. These will be delivered to a hospital in Oxnard along with get well cards.

kidSTREAM is currently opening every Tuesday afternoon, 1-4:30pm, for a trial period, and every week they are focusing on a different letter of STREAM. So far, they have focused on Science where they looked at Space Travel and on Technology where a Doctor brought a dummy with a heartbeat so that the children can feel and listen. We are looking forward to our May DCM which will be at this museum.

At the start of 2020 our club celebrated some special birthdays, with three members reaching the grand old age of 80, and our WWII veteran Bud Utter celebrating his 99th birthday. Two cakes were brought to our last meeting.

Our sponsored Cub Scout Troop 3800 celebrated Scouting Throughout the World, and Allen Grizzard-Paul was there to tell them what scouting was like in England over 50 years ago.

Conejo Valley

Roger Klausler Reporting

On January 23 we joined Newbury Park High School Key Club members Div. 42 East Lt. Gov. Carter Kawaguchi and Ethan Carrillo in serving dinner and preparing sack lunches for guests of the Harbor House Meal and Shelter Program, managed by Art Castruita (left.)

On February 11, Dennis Poncher, a friend of our member Alan Fisch, spoke about Because I Love You (BILY) www.becauseiloveyou.org, a non-profit organization which holds group meetings that offer support, guidance, and suggestions to parents for solving problems with their children ages 3 to 53—yes, 53. Dennis talked about the crises in his life involving the self-destructive behavior of both of his children that led him to form the first support group in 1982. Since then, it has expanded nation-wide to help 700,000 families address issues of drug and alcohol use, physical and emotional abuse, ADHD, oppositional and obsessive-compulsive behaviors, poor grades, etc. Each group is run by parents, not professionals. There are also youth programs for ages 12 to 20. There is no charge to attend any of the sessions. BILY has been featured on KABC Los Angeles, the Oprah Winfrey Show, and in countless newspaper and magazine articles. Dennis is available to speak at no cost. 818-424-3930 or BILY1982@aol.com.

On February 14th we went to Barnes and Noble to help buy books for the kids in the Safe Passage program, a partnership between the Thousand Oaks Police Department and Conejo Recreation and Park District. Since 2014, this free program has focused on two micro-communities characterized by a high concentration of gang recruitment and crime. The program assists kids in navigating through the prime years of gang recruitment and grooming. We and other volunteers explored the interests and curiosities of each child and helped them chose books within a \$40 budget.

We then went to Triunfo Park for a short hike, a soccer game, an art project, and a reptile seminar. Then, back home after Taco Friday!

Special thanks to Jennifer Pashalides and Barnes and Noble for the generous discounts on everything the Safe Passage kids purchased!

Moorpark

Ute Van Dam Reporting

Moorpark Kiwanians are great librarians! We volunteer at various school libraries with cataloging, shelving, organizing and repairing books. Many hands make light work.

Ventura County Sr. Deputy District Attorney Catherine Voelker, gave an interesting presentation on youth crime, human trafficking, and best practices for keeping youth out of the system.

2020 Moorpark High School Groundhog Day 5K run traffic control volunteers!

Our monthly social meetings are always fantastic! Thanks to Paula and Ted Driscoll for being great hosts!

On Jan. 23, our social mixer was at Casa Agria Specialty Ales, which held a Trivia Night. It was a fun social with great attendance from potential and active members and regular volunteers. At right, LTG Don Erickson with First Lady Lorraine and LTG Elect Debbie Heaslip working on their trivia.

Thousand Oaks

John Prescott Reporting

Past President Dick Wilson has passed away. Better known affectionately as "Chief" in a nod to his long service with the Ventura County Fire Department, Dick was a friend to everyone in the Thousand Oaks Club and could always be counted on to contribute his time and efforts to accomplish our service projects. Chief joined the Club in 1972 and served as our President in 1977-78. He was our longest-tenured Kiwanian and took great pride in the Club.

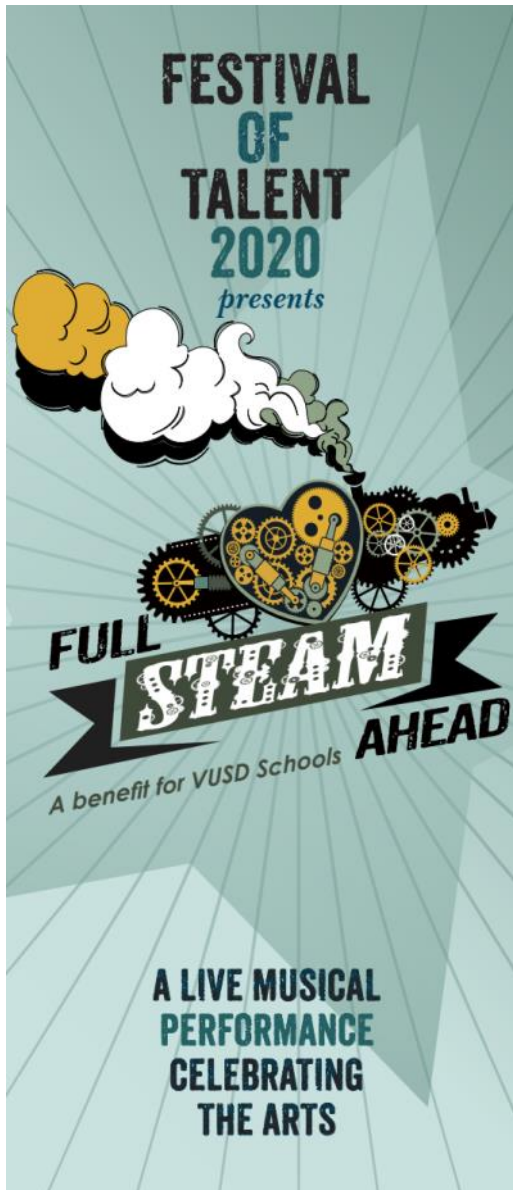

On February 5, the Thousand Oaks Club inducted its ninth new member of this Kiwanis year, Denise Cortes. Denise is the Director of Harbor House, a local non-profit that offers referrals, resources, case management, and a hand up for those who are struggling. Participants in the ceremony are Past Presidents (left to right) Dave Biedebach, Ted Driscoll, Paul Campbell, Chuck Huffer and (in the back) Bob Engler. Denise is wearing her builder's apron and to her right is her sponsor, Robin Britt.

The Thousand Oaks Kiwanis Paint Rangers were at it again. We paint out storm drains or other facilities that get tagged often with graffiti. Helping out were Bob Smith, Chuck Huffer, Mary Sepe, Sherrill Hyink, and Arnie Rudman. So, who was taking the pictures, you ask? None other than the leader of the group, Past President and Past Lieutenant Governor Bob Engler.

On February 13, Thousand Oaks Kiwanis Club members along with family and friends—seventeen volunteers in all—helped stuff bags of comfort and supplies at the My Stuff Bags office, destined for children entering foster care. The Club also donated \$300. Mary Sepe, our Community Services Chair and organizer of the project, displays the contribution.

FOT2020

Ventura Unified School District and The Kiwanis Club are the proud producers of Festival of Talent 2020

For 18 years, Kiwanis has produced Festival of Talent while providing administration and marketing, over 50 volunteers and everything else it takes to present one of the BEST shows in Ventura.

This is a professional level production created in partnership with VUSD, directors Bev & Kirby Ward of Rubicon Theater, and music director Miriam Arichea, along with professional lighting, sound and technical crews. FOT brings hundreds of performers and over 1,000 audience members together for the "best show ever," year after year.

We need your help to shine the light of awareness on the bright futures of our children in an event our community will remember forever!

FULL STEAM AHEAD

Our theme, *Full Steam Ahead*, is a way to embrace the ARTS in an experiential event that instills pride and creativity, while celebrating the amazing talent of students and adults alike.

Let's capture the hearts of our students, and dazzle the hearts of our community!

The Arts improve academic achievement by enhancing learning, attitudes, social skills, critical and creative thinking.

Children who experience sustained involvement in the arts are overwhelmingly more likely as adults to found successful companies, publish important articles, and patent new inventions.

FOT is nurturing. FOT is memorable. It is an enduring and heartwarming event. With YOUR help it will be here for years to come.

Ventura Kiwanis Joins Ventura Unified School District to Present "Festival of Talent 2020: Full Steam Ahead"

Festival of Talent is a quality live performance of outstanding Ventura talent providing a community gathering as well as a fund raiser. The event will take place on March 14, at Ventura High School Theatre, 2 North Catalina Street. Doors open at 6:15 pm.

Others raise funds for the reading and writing. Through Festival of Talent, Ventura Unified School District and Ventura Kiwanis want to help students become better citizens by enhancing the Arts, encouraging community involvement, providing meaningful volunteer and leadership opportunities and granting scholarships to those who "get it."

Just as important, Festival is a high-quality production, providing the performers with a unique opportunity to work with professional directors, musicians, stage manager, enhanced sound, and technical support and an audience of over 1,000. Talk to any of the approximately 200 participants and you will share his or her excitement. Not coincidentally, in itself this goes a long way toward that citizenship goal.
