Governor-Elect Race

Whatever form our DCON or VCON takes this year, there will be elections for Governor and Governor-Elect. The outcome of the Governor's race is pre-determined and Gary Gray will be the new Governor, but there is a wide-open race for Governor-Elect. There are two good candidates: Valarie Brown Klingelhofer, and Margo Dutton. They were the program for our June DCM and both gave excellent presentations. Those of you who missed that meeting and have questions regarding the candidates' positions may wish to check their respective Facebook pages:

Margo:

<https://www.facebook.com/MargoDutton4KiwaniisCNHGovElect>

Valarie:

<https://www.facebook.com/ValarieBrownKlingelhofer.CNHKiwaniis>

In any event, according to the District bylaws governing elections during a time of emergency, Deb Heaslip, Roy Talley, Gary Gray and I will be delegates voting online during the VCON. Roy and Gary to not have a defined constituency, but Deb and I do – the clubs of Division 42. We'd like to hear from any club that has a strong preference for the office of Governor-Elect, before we cast our votes.

Thanks.

July DCM

Approximately 45 of our club and SLP members were in attendance on July 9 for our Division Council Meeting. At that meeting we heard an impassioned speech from the Key Club LTG for 42 East. The speech was overtly political. As meeting chair, I could have muted the speaker - and perhaps I should have. But I did not, partly because the circumstances did not call for a heavy-handed response, and partly because the young man obviously didn't know any better than to bring politics to a Kiwanis meeting.

He had not been educated regarding Kiwanis' century-long tradition of, and commitment to, apolitical and secular service. The reason Kiwanis has lasted as long as it has is because we don't let ourselves be divided and distracted from service by political and religious disagreements. Frankly, this should have been addressed by our SLP leaders, teachers and advisors, and hopefully in the future it will be. Kiwanis is not a political platform, period.

Governor's Visit???

We still have no definite date or plan for the Governor's Visit, but we are exploring options for an outdoor, code-compliant meeting and dinner in the latter part of August. We'll let you know more when and as things develop. Meanwhile, thank you to everyone for persevering through these difficult times.

-Don

It is with great sadness that we report the loss of one of our past members. Frank Gavaller, who had to retire from Kiwanis a couple of years back due to ill health, passed away on Tuesday, July 7. Frank was from Scottish descent, and he used to perform alongside Past Lt. Gov. Walt Metcalf in a Scottish Dance Group. Frank was a very knowledgeable person and when it came to the weekly Trivia Questions, the other members always said, "Whatever Frank says" as their answer. For many years, Frank headed up our Meal Delivery Program, and he was always first to volunteer to drive dignitaries to the front of the Christmas Parade. Although he has been out of Kiwanis for a while he will forever be in our memories.

On a much brighter side, Linda Thayer has finally thrown in the towel and has retired from her teaching position to become President Elect for the 2020-2021 Kiwanis year, taking the role of President in 2021-2022. Linda descends from a great Kiwanis Family. Old timers will probably remember her dad, Past Lt. Gov. and Charter Member of our club, George Thayer. George brought in more members and raised more money than anyone else has ever achieved in our club. Linda's Mom, Betty Thayer, was also very active in our club. Linda has already proved to be a true Kiwanian, heading up our scholarship program and running the Builders Club, so we are very excited about her taking on this leadership position.

Scholarships – In addition to the scholarship our club presents each year, this year our member Ray Favacho, who works for State Farm, was able to find funding for another scholarship donated by the State Farm Good Neighbor Community Fund. This was awarded to Mia Ortiz from Camarillo High KIWIN'S. Also, Nicoletta (Leta) Bryan from Rancho Campana KIWIN'S received a District Scholarship for her outstanding job as KIWIN'S District Convention Chair. Leta wrote a thank-you letter to the District:

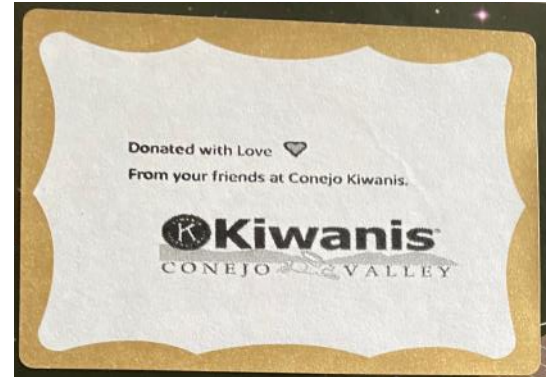

"Thank you so much for awarding me this scholarship. It has made all the difference in my educational career. Receiving this scholarship meant that I can help supplement the cost of my tuition at my dream school, the University of Michigan in Ann Arbor.

KIWIN'S and Kiwanis have given me so much from allowing me to grow as a servant leader, to sponsoring me to go to ICON, to now helping me achieve my educational goals. I am forever grateful to this organization and I am very excited that the University of Michigan has a Circle K club.

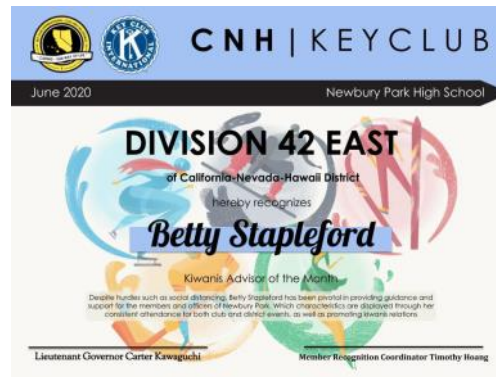

I served as the District Convention chair on district board. It was a once in a lifetime opportunity. Even though DCON didn't happen, I gained so many valuable skills that I would not have otherwise. I was able to create an advertisement campaign for DCON, coordinate with hotel staff, and work with the rest of District Board to solve complex problems. I have a student internship at a school-based company called RCMakes. This summer I will be the Academy lead for the Medical Sciences program which means that I am managing a team of interns and working to create a curriculum which we will execute both online and in person.

My experience as Convention Chair has helped me so much because it taught me how to manage a project and how to delegate. It also taught me how to be flexible and adapt my plans to fit any necessary situation."

Nicoletta (Leta) Bryan

Our club has purchased about 50 books on astronomy and space exploration that are waiting to move into their new home on the kidSTREAM library shelves. Shown here are Board member Sue Bartley and friends adding our label to each of the books.

The Rev. Betty Stapleford was surprised and honored to receive this award from Division 42 East for her stellar service as our advisor for the Newbury Park High School Key Club.

Although there are current restrictions on assembly, our commitment to our service projects continues. At this time every year, we have hosted a barbeque at one of the parks in Camarillo for all the Ventura County Children's Services foster families. This year we donated the budgeted amount of \$400 directly to the Service's Auxiliary.

The same holds true for our support of Harbor House meals for the needy. We donated to that organization the \$750 budgeted for our meal services in May, July, and September. Shown here is our club with Harbor House's Art Castruita.

More Scholarship News

Kiwanis Club of Santa Barbara awarded seven \$1,500 scholarships to our local graduating seniors. Kiwanis members went to their homes, met them outside and brought their check, a beautiful certificate of recognition from Assembly Member Monique Limon, flowers, a cake, and a full dinner from Shalooob for the whole family. Signs such as these were also placed on the lawns representing all their local high schools. It warmed the heart to drive around town seeing these signs.

Many Hands Make Light Work!

We have begun working on our Blanket Buddies project. Hundreds of yards of material need to be measured, cut and distributed among our members for tying. Once completed, they will be donated to Child Hope, Operation Smile, and Project Linus.

We hope to make between 150 – 200 blankets for children and teens in need of some warmth and comfort during trying times.

Many thanks to our Division 42 First Lady Lorraine Erickson, who has added her amazing crochet talents to our blankets for the littlest ones we help.

THANK YOU TO THE CAL - NEV - HA COVID GRANT PROGRAM

Santa Susana was recently awarded a Covid grant for making masks for those in need. Members worked hard to create 150 Masks that were distributed to a Center for the Disabled in Chicago, local Senior Centers, the Samaritan Center and family & friends.

We want to give a very SPECIAL THANKS to Tony Antonelli for all his help with our Grant Applications.

Meals on Wheels

Simi Kiwanis is volunteering to help with the delivery of overflow meals due to the corona-virus. Left: Kevin, Donna, Shelley, and Nellann at volunteer training; Center: Harry, Donna, and Nellann leaving the Senior Center with food, Right: Donna preparing to deliver.

Appreciation and Thank You Luncheon at the Police Station

Volunteers were only allowed to set up, then had to leave. The table sign showed all the sponsors including Simi Kiwanis, and the banner was signed by many people. Mary Patch, Elaine, Karen Hoyle, Harry, and Kathi did an outstanding job of decorating and getting all the food together.

Helping Operation Smile

Simi Kiwanians are volunteering to cut out tie blankets and make smile bags, hospital gowns, and various shapes of pillows for kids who are awaiting surgery for their cleft lip/palate. Just imagine the smiles! Many of our members are signing up to help.

Thousand Oaks

BrewFest is going virtual this year. Mark your calendars, and check our website, www.tobrewfest.com, for details and to purchase tickets.

Cristy Warner (wearing the red T-shirt in the pictures) has led a group of Key Clubbers and K-Kids to serve pizza to needy individuals at various venues around the Conejo Valley since May. The Pizzas are donated by Domino's and Kiwanis serves them to the people.

Every year, the Thousand Oaks Club awards scholarships to graduating high school seniors, and this challenging year was no exception. At its meetings of June 17 and June 24, we awarded \$17,500 in scholarship grants to sixteen recent graduates, as well as two Circle K members currently pursuing their college degrees. Many of the scholarship recipients rose early to join us in our Zoom meetings, including the scholars pictured – Anh Thu Van, Maison Van Item, Quentin Hall, and Elle Taylor.

Theresa Protter headed up the Scholarship Committee that vetted the applications and selected the recipients. The program is funded by our Charitable Foundation and generous annual grants by members Barbara Ashcraft, Chuck Huffer, Bruce Berman Family, Sherrill Hyink, Mary Sepe, and the family of Irish John Gore. Mary baked delicious banana bread loaves and sold them to members in order to fund two of the scholarships.

Many local non-profits are suffering during the COVID-19 pandemic because fund-raising events have been canceled or postponed or demand for services has dramatically increased. The Thousand Oaks Club's Charitable Foundation has responded by making direct grants totaling \$27,500 to eleven non-profits. We're also matching member contributions to provide an additional \$6,000 in aid, and have \$1,750 in Cal-Nev-HA grants either received or in the pipeline. President Steve Weiss and other club members are pictured delivering checks to Conejo Valley Senior Concerns, My Stuff Bags Foundation, Boys and Girls Club, and Manna Food Pantry.
