Dear Division 42 Kiwanians,

I begin this message with a heavy heart that is filled with sadness for what is happening in my community and Ventura County. The year 2017 ended in the wake of devastation left by the largest fire in California history, the Thomas Fire. We had no clue what was to hit us next with the torrential storm and resulting mudslides to start 2018. We have all been affected by the catastrophes that have hit Santa Barbara, back to back. It is heartbreaking to see our children pulled from the mud and destruction. Families and businesses directly affected are stunned with their loss; our community as a whole will suffer the residual financial and human loss as a result of these events. More families will suffer due to the loss of jobs and financial means to support their homes. Hundreds have already lost their homes. Every day in my professional work with youth, the conversation is centered on, "What do we do now?" and "What happens next?" The uncertainty of the future is leaving them filled with fear.

We will not have a DCM in February This has been done with the intention to ensure that our membership makes the time in their schedules for us to come together to attend our Governor Joni Ackerman's visit scheduled for February 18 at the River Ridge Golf Course in Oxnard, and the Mid-Year Conference on February 28th at the Sheraton Fairplex in Pomona. It is important for us to be present at these events and show, as a division, our resolve and solidarity.

It is a time for Kiwanis. It is a reminder to us all that as an organization, we are the light, and we can bring hope. We let people, especially children, know we are there. I am so grateful for this division and the work that is taking place. We are experiencing challenges of our own with clubs teetering to closure, but I am proud that we have clubs ready in the wings to step up to support SLP's that could be affected. I so much appreciate the support of our Lt. Governor Elect, Katy Porter, who stepped up to lead our last DCM, and provided training on Kiwanis Branding. All the support of the Presidents and Past Division Leaders who work without rest. Sometimes we build, sometimes we grow, and sometimes we just pull together. This is truly Kiwanis in action.

Camarillo Kiwanis

Allen Grizzard-Paul reporting

On Saturday January 13, Camarillo Kiwanis along with KIWIN'S from Adolfo Camarillo and Rancho Compana High Schools took over Applebee's Restaurant for breakfast. This is a very easy fundraiser where you sell tickets for \$10 and Applebee's only charges \$5 per breakfast, which consists of eggs, sausage, potatoes and wonderful pancakes. They provide the food and we serve and wait the tables.

Camarillo Kiwanis has nominated long time member Joe Dilbert, as the Chamber of Commerce "Volunteer of the Year." Joe has held nearly every position in our club and is well known in our community for all the work he has put in over the years. Joe has chaired our Peanut Day fundraiser for over 20 years and is a true Kiwanian.

Kiwanis of Conejo Valley Roger Klausler reporting

We are proud that, for the second year in a row, our club's gifts to the Kiwanis Children's Fund reached Blue Level status. The Fund supports Kiwanis International disaster relief programs, the project to ELiMiNaTe Maternal/Neonatal tetanus, and short-term grants to address unmet needs in health, education, and leadership training for children around the world.

We held a club social on January 6 at DeLiese Cellars, featuring the popular duo Amber and Smoke -- vocalist Amber Olive and the multiple guitars of Bill Rotella.

Gather up the kids and grandkids! Coming up on Tuesday, February 13, 5:00 to 7:30pm, is our Family Dinner Night fundraiser. BJ's will donate 20% of food and soft beverage sales to our 501(c)(3) foundation. We will make flyers available so that you can print and bring them to the event to give to your server with your orders.

SANTA SU K-KIDS

ENJOY A LITTLE HOLIDAY FUN

After all their hard work in the past
few months, K Kids took a well
deserved break to have some fun
together. After presenting Mrs.
Kelemen, our faculty advisor, with
a token of appreciation, members
enjoyed some game playing and
social interaction.

In addition, our K-Kids collected
boxes full of blankets and plastic bags
for the local animal shelter.
