Hello Division 42,

YEAH - WE DID IT!

After many months of not being able to get together, we were all very happy to get back on track with a live DCM.

It was a wonderful meeting, hosted by the Moorpark Club. Don't get me wrong, I enjoyed our Zoom's, but it was so rewarding to once again see our members interacting. Many of our clubs are returning to or planning to resume "In Person" meetings or a combination of "In Person" and Zoom (which I think is a perfect solution for our members) and one I would encourage all clubs to consider. This format would allow for our continued Interclub system which I can't praise enough. The June DCM will be at Art Trek in Newbury Park. The Thousand Oaks club is hosting and planning a BBQ Taco Dinner.

Now, for a little business. It is that time of year again! We are asking all clubs to put forth the name of a potential Lt. Governor Elect for next year. Matt Moore, our Lt. Governor Elect, would truly **APPRECIATE** your help. **PLEASE**, ask your current and past Presidents to give this some thought. **Have you been Lt. Gov. before?** That's ok; perhaps you would like the opportunity to serve again (now that you are slightly older and a lot wiser.) It is an exciting time to be a part of Division 42 leadership. We have established wonderful communications between our clubs, great Division service programs, and the opportunity for clubs to be recognized for their participation in Division, District, and International activities.

Homework Assignments: Last month I asked you to let me know about something you had done with friends or family. Tom Stapleford from Conejo let us know that he and Betty Zoom every 2 weeks with their 4 children. Roger Klausler, also of Conejo, got in touch with some high school pals to reminisce. Margaret (Santa Su President) and I spent a few days in an RV out at the beach – some fun, some work, but a wonderful time just being friends.

This month's message is, *"We make a living by what we get, we make a life by what we give."* So your homework is to ask each member to do a Random Act of Kindness for someone they don't know. Maybe open a door, carry a bag, let someone in line ahead of them.

"What's Your Sign" Info: If you were born between April 20th and May 20th, you are Aries (the Ram.) After the 20th, you are Taurus (the Bull.)

Truly Canadian: Did you know that newspapers used to be printed on paper made from old clothes, until a Canadian poet figured out how to make paper from wood pulp?

Thank you for taking the time to chat.

Take care until we meet again.

Debbie

Yea! We held our first face-to-face dinner meeting this month and at our board meeting we voted to change our meeting to the following. The 1st and 3rd Tuesday of the month we will be at the Sportsman Restaurant, 4426 Central Avenue, Camarillo. The 2nd and 4th Tuesday we will be on Zoom at Noon. Not too sure what we will do in June, August, and November when we have a fifth Tuesday in the month, but we will keep you informed.

At the right are President Robert, Secretary Allen, and Past President Mary mask-less and smiling. We were also joined by Past Lt. Governor Katie and KIWIN'S Turquoise Div. Lt Governor Naomi, and everyone was very happy to get back to what we do best – eat and be merry.

Some of us worked with the KIWIN'S making roses for the Rose River Memorial Project to remember all those that died from COVID. Linda Thayer made 8 roses and you can tell that she taught art at school. A nice way to give memory to her late husband and our hard-working treasurer, Bob Gaboury, and other friends and relatives who did not make it through this terrible pandemic.

Mary and I made 16 roses and I'm not sure about the first couple, but we were doing pretty good towards the end. Stopped a few times with cramped hands, and Mary had to make a nail appointment. Sticky stuff that glue.

We had seven members and one guest attend the DCM at kidSTREAM. It was great to see how the museum is progressing and it gave our club the opportunity to discuss with Michael and Kristie from kidSTREAM what our next project will be. Another fun meeting; thanks Debbie.

We are very lucky to sponsor one Key Club and two KIWIN'S. Here is just what one club is actively doing this month. Rancho Campana KIWIN'S are holding a Virtual Dog Toy Social on May 21st; a Soles4Souls Shoe Drive on May 22nd; and they are making general cards for cancer patients to be completed by May 25th.

Conejo Valley

Roger Klausler Reporting

On May 7 at Conejo Community Park, we gave vases, flowers, and colored paper to 25 kids in the Safe Passage Program. They made mom's day special with a hand-made card and a bouquet of flowers that they chose and arranged. Members Sheromie Vittachi, Owen Miller, Tom Stapleford, and Sue Bartley were joined by CRPD staff members Luis Sánchez and Cristina McQuillen.

On Mother's Day, 29 residents at Mary Health of the Sick received flower arrangements and a card, also prepared by Sheromie, Sue, Tom, and Owen.

We held our last in-person meeting at Bandit's on March 10, 2020. So, it was with great joy that we held our first live meeting since then on May 11 at Willowbend in Conejo Creek North Park. Besides enjoying each other's company, we celebrated all the birthdays of the past 12 months, complete with a cake!

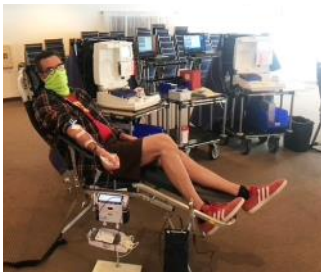

Kiwanis International recognized the 15th anniversary of the issuing of our club's charter on May 31, 2006. With the Kiwanis Club of Thousand Oaks as a sponsor, Club Builder Paul Campbell and eight members of the T. O. club, including Roy Talley and "Irish John" Gore, had worked with Paul to find our charter members.

Honorary member, Danielle Pratt, helps her parents, Bob and Cindy, drop off donations to the Moorpark Pantry Plus for treat bags for Mother's Day.

Moorpark High School's annual Groundhog Day 5K run was rescheduled to May. While Member Jackie Flame volunteers at the Groundhog 5K event, Member Catherine Voelker runs the race! Moorpark Kiwanians volunteer along the race route cheering on participants at the Groundhog 5K race. L-R: Bryan Lee, Mark Van Dam, Ute Van Dam, Bruce Rokos, Jackie Flame, Denise Edwards-Neff and Curt Edwards-Neff.

Mark and Ute Van Dam donate blood.

At the May DCM, President Ute presents Bryan and Debbie Lee with the Lt. Governor's Award of Excellence.

A great time was had by all at our first in-person social at the Anderson's home. Our social luau was great fun with great food!

On May 16, the Reel Guppy Outdoors program took out three groups to 'catch a memory' with their families as they went fishing, many for the first time in their lives. Founder and Oxnard Kiwanis member Kevin Brannon (top left) has created a great program that includes a series of books that he's published to help teach children the importance and value of protecting our environment. His latest book about the Channel Islands, published with the aid of a grant from our club, will be released soon (English and Spanish.) His program is available for any family that is interested in a free fishing experience. "Catch a Memory!"

Santa Barbara

Marsha Gray Reporting

Finally opening up! Here we are at our first club social in Santa Barbara. Lots of fun and friendships renewed.

Our first DCM in many months. Governor Gary greeting us! Our past President and Lt. Gov. Elect Matt Moore and current Kiwanis Club of Santa Barbara President Jordan Robinson show the joy we were all feeling.

“GET TO KNOW US” – MEETING IN THE PARK

Santa Susana decided to get creative and hosted a “Get To Know Us” in the park. We set up our canopy and had members, two Key Clubbers, and friends of the club John and Marian work on a variety of our “Hands On” projects – including Buddie Blankets, K-Kids Beads, and Hats for Heroes.

We hope to attract potential members by introducing them to the many opportunities Kiwanis offers, based on their own interests and time available – not ours. We also handed out free masks (donated by the Simi Chamber) together with information on the AMAZING Santa Susana Club.

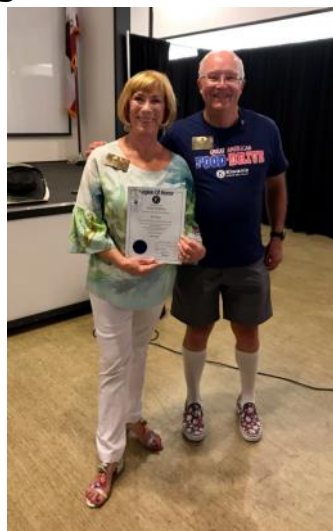

**Our Next
“Get To Know Us”
In the Park Meeting
will be on June 21st.**

At their Virtual Awards Day, Madera K-Kids presented three Non-Profits with donations totaling over \$400.00 from their 2019-2020 and 2020-2021 Recycle Program. Twenty-six students received awards presented by our current Lt. Gov., Debbie Heaslip, Past Lt. Gov. Don Erickson, and Principle, Melody Dennert.

In-Person Meetings Resume with Awards!

Membership chair, Nick Esser, presented Legion of Honor awards to Mary and Floyd Martin (30 years), Wes Miller (40 years), and Elaine Hintlian (30 years). Not pictured, John Absmeier (45 years). Ron Smith received the Tablet of Honor from Past President Nellann Wilson.

Long-time members Past President Elaine and President Elect Lee Hintlian announced that they have bought a new home in Liberty, Missouri, and will be moving soon. We will send them off with a big shindig in late May. Their contributions to our club have been epic, and they will be sorely missed!

Our club's sewing projects are continuing. Shown are some of the pillowcases to be sent to an orphanage in Virginia.

Thousand Oaks

John Prescott Reporting

Always with "youth" in mind, the Thousand Oaks Club heeded the call from the Safe Passage Youth Foundation to sponsor scholarships for a week at summer camp to benefit disadvantaged kids in elementary school and middle school. Our generous Kiwanis members ponied \$1,630, enough for 9 scholarships. Club President Craig Burns (left) and project ringleader Sherril Hyink (right), presented the check to Safe Passage leader Tim Hagel. Summer camp will not only give the kids a boost in their educational achievement, as COVID restrictions cramped all education systems this year, but with kids in daily camp learning, parents are able to pursue their work again without daycare needed. The students will be in "GOOD SAFE PASSAGE HANDS."

Bob Engler, Cristy Warner, and Sherrill Hyink (not pictured) were joined by Key Clubbers Noemi Lopez (Westlake High) and James Gentry (Thousand Oaks High) painting out graffiti as the Paint Rangers rode again, doing their magic on a much-decorated culvert near Thousand Oaks High School.

President Craig Burns led a contingent of members to present a Community Service Award to the team at the Domino's Pizza location at 723 E. Thousand Oaks Boulevard. The Club appreciates Domino's many pizza donations to help the community struggling with food insecurity during the pandemic. The club also appreciates The Acorn newspaper for covering the presentation in its April 29, 2021 Thousand Oaks edition.

The Thousand Oaks Club has launched a new signature project - "Bikes for Kids." We will be acquiring new and gently used bikes and equipment for donation through a local non-profit to disadvantaged youth to help transport them to school and to work. Mary Sepe is in charge of this project and our goal is 30 bikes. The Board has allocated \$5,700, and individual members have pledged another \$6,600 for the project. And we'll be applying for a \$1,500 Pediatric Trauma grant from Cal-Nev-Ha Children's Fund! We recently delivered the first three bikes at the Thousand Oaks Teen Center. In the photo are (left to right) CRPD Youth Outreach Leader Dan Nalbandian, Club President Craig Burns, CRPD Youth Outreach Leader Elizabeth Sorenson, and Vice President Mary Sepe, Past President Chuck Huffer, and Past Lieutenant Governor Bob Engler.

We have resumed meeting in person at the Poinsettia Pavilion patio every other Friday at noon, and our evening group, Kiwanis After Dark, now meets on the 3rd Thursday at 6pm at The Social Tap on Seaward Avenue.

We are planning our annual bike ride fundraiser in early August.
