My fellow Kiwanians

Welcome to a quiet place, where you can put your feet up on the Kouch and take a breath. The holidays are a time to be active in giving, in connecting with friends and family and being reflective.

We ended the calendar year at 322 members strong. We are “plus eight” as a Division. Membership growth is wonderful on so many levels. More hands to guide young people, to feed shut-ins, to bring joy to families in need, to support all the good works in our communities. New members can bring a sparkle to your club, with enthusiasm and passion. Keep up the good work!

I want to thank all the clubs that went the extra mile with special activities around the holidays. Santa and the elves were busy ringing kettle bells, gathering and delivering toys and making merry around Ventura and Santa Barbara Counties.

We held a Division Council Meeting in December hosted by Camarillo. They decorated the tables in a festive fashion, then fed us a delicious hot meal.

Our program featured two of our leaders. First, for a return appearance, our Trustee from Santa Maria, Steve Geraci. Steve also came last month, when our numbers were way down due to the active fires in the area in November. Wonderful to have him share about the upcoming training in Santa Barbara. Region 10 members will gather to learn and grow, focusing on membership and positive club experiences, on Saturday January 12. Then our own Roy Talley, serving as Kiwanis CNH Foundation Chair, reminded us of the many ways we can contribute to the foundation, as well as the opportunities to support our club endeavors with grants from the foundation. (It is a circle of recognition and service!) We have a special Governor’s visit coming up on March 10 - order your Distinguished and Community Service and other awards now, so Rocci Barsotti and Roy can co-present them. Here is the link to all the CNH awards available. <http://www.cnhkiwanis.org/Page/28186>

Lt. Governor Elect Don Ericson sang us in and out, as well as assisting with the “happy and sad bucks” where we learn what is going on with our members. Thank you! A pat on the back to our members who efficiently set up the front of the room, and then put it all away when we’re done – it is appreciated. Our volunteer project for the month was writing 70 letters to Santa. I dropped them into the big mailbox at Macy’s, earning the Make a Wish Organization \$70 towards fulfilling a wish for a young person. If you have a project we can do at an upcoming meeting, let me know. 40 or 50 sets of hands can do a lot in 10 minutes.

Squinting into the future, 2019 looks all shiny and new. Let’s take every opportunity to talk up our wonderful clubs, and turn that “plus eight” into big double digits.

Have a left-over Christmas Cookie and a latte’ as you take time to peruse the Division 42 club photos and notes. See you at our DCM January 10 (hosted by Conejo Valley) at the ARC in Ventura, and at Region 10 training in Santa Barbara on January 12.

LOVE IT

In December, we hosted the DCM where we once again had a surprise visit from Santa. (Don't tell the kids, but it was actually Brendan Hendrick from Ventura Suburban). Special thanks to Don Ericson from Simi Valley, who helped us out by leading a resounding version of Rudolf the Red Nose Reindeer.

Bertha's great granddaughter Anabel got in the act

Rancho Campana KIWN's

On December 15, we took over a couple of locations to ring the bell for the Salvation Army. Rancho Campana KIWIN'S was there to help us out singing some carols and one of our members great granddaughters also in the act and took control of the Ukulele.

Once again, our Builders Club at Las Colinas Middle School, went all out collecting for Toys for Tots which went to the Fire Service Program, "Sparks of Love". If they broke their record the Principle agreed to dress up as an Elf. As you can see from the Elf in the picture, they raised around \$3,000, beating their goal by 50%. They made the presentation to the Fire Service on December 18.

Conejo Valley Kiwanis is honored to be a Model Club in The Eliminate Project's \$110 million campaign to eradicate maternal and neonatal tetanus from the world. They have donated over \$750 per member to the campaign and, as of November 30, are the only club in Division 42 that has reached that status.

A total of about 6500 letters from all local Kiwanis groups were turned in on the afternoon of December 7 at Macy's Believe Day. This means over \$13,000 was

raised through Macy's contributions to the Make-A-Wish Foundation—the equivalent of being able to fund the wishes of two kids! Our

Sycamore Canyon School Builders Club contributed 1246 letters, which translates into a \$2492 to grant the wishes of children with critical illnesses.

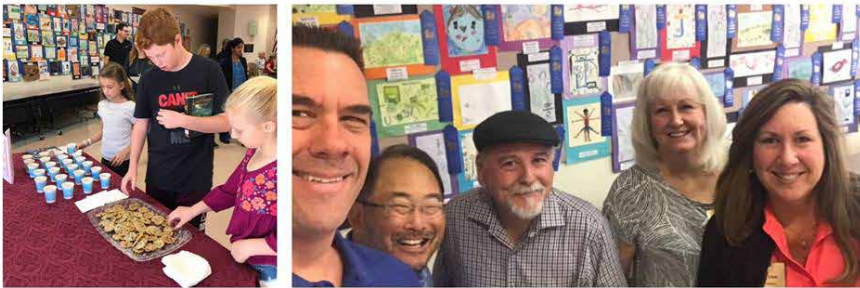

The BumbleBee Foundation, which was established by the parents of Jarren Donatini, who at the age of four, passed away from a very rare form of liver cancer. Its mission is to inspire hope and faith by providing support to the overall well-being of pediatric cancer families. On December 11, they wrapped presents for Noah (5), Sienna (8) and Serenity (11). Sienna is our BumbleBee kid. She has orbital rhabdomyosarcoma with a projected survival of only 5 to 10 years. Our club's President, Amy Hastings, is on the Foundation's Board of Directors.

Leonard Zerlin, a 95-year old decorated World War II veteran brought his stories and mementos to share with the Club November 14th in honor of Veterans' Day. Leonard safely flew 35 missions as a turret

gunner, thus awarding him a coveted membership in the "Lucky Bastards Club". He spent three and a half years in the Army Air Corps and was given the distinguished Silver Star Award for his bravery. We salute him and wish him as he continues to share the importance of our country's history.

Mary Sepe and many other Club members helped the Conejo Valley YMCA by serving as course marshals for the Y's 14th annual Turkey Day Dash fundraiser, held Thanksgiving morning. More than 2,600 runners participated.

As is traditional, the Thousand Oaks Club held its November meeting closest to Thanksgiving at the Thousand Oaks Health Care Center, a local nursing home. Arnie Rudman led about 20 members in serving breakfast and chatting with an equal number of residents. K-Kids and Key Clubbers joined in with gifts and entertainment.

Hall of Heroes

Camarillo

This month's Heart of a Hero and Division Hero was awarded to Linda Thayer-Gaboury. Linda is a product of a true Kiwanian Family. Her late father, George Thayer, was one of the charter members of our club back in 1966. Her Mom, Betty Thayer also became a member once Kiwanis saw the light and allowed females to join.

Linda is a school teacher and as soon as she joined Kiwanis, she started up a Builders Club at Las Colinas Middle School. This has grown into one of the most active Builders clubs in our Division. Here are some of their activities: They make small gifts for the Meals Program to give to shut-ins each month. Raised money by collecting cans and make an annual donation to the RAIN project that provides a home for single parents and children who have been made homeless.

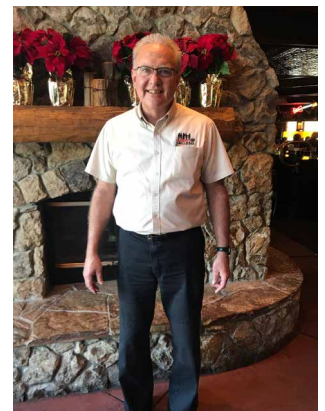

They have an annual food drive for the local pantry.

But their most successful project is collecting for Toys for Tots, where they collect and purchase around \$2,000 worth of toys each year.

Linda also chairs the Scholarship and Hope of America Award Committees. For someone that can only make one meeting a month she certainly makes a big impact on our club.

Conejo Valley

Our Heroes of the Month are Shawn Berger, Bandits' Grill and Bar Director of Operations, and Bob Engle (photo), Manager of the Bandits' in Thousand Oaks. They put on an all-day fundraiser on November 15, with 100% of the proceeds to provide some sense of comfort and help to the families affected by the Borderline tragedy. Bandits' also had other donation opportunities available for those who were unable to stay and eat.

Conejo Valley continued...

Our November Hero was Sheromie Vittachi, a member of our Board of Directors who chaired our super-successful 3rd Annual Conejo Uncorked.

Hall of Heroes

Moorpark

Cindy Pratt, pictured here with her husband Bob, has been an instrumental part of the Moorpark Kiwanis Club. Cindy is currently in charge of community service projects, and has successfully spearheaded a campaign to collect food for the Moorpark Food Pantry. She is a top volunteer in the planning, organization, and toy collecting for our annual Breakfast with Santa event. For the past several years, Cindy has been the point person for our annual Wine and Moonlight fundraiser. Cindy is a wonderful person....she is kind, patient, organized, and has a big heart. She has all the qualities to be a superstar Kiwanian! Our club is lucky to have Cindy as our member.

Thousand Oaks

Our Hero of the Month is the dynamic duo of Theresa Protter (left) and Kim Baumann. The Thousand Oaks Club delivers Meals on Wheels three days a week. In the midst of the Woolsey “fire and brimstone,” the kitchen that prepares the meals had to shut down due to the evacuation order. These two angels said, “No way! The people on our route need to eat.” So, the two of them cooked, packaged, and delivered food to 8 of their clients. They were greeted with smiles and hugs.

Hall of Heroes

Simi Valley

Robert "Bob" Earle Pegg was born September 20, 1925 in Kalamazoo, Michigan and died on July 2, 1994 at the age of 68. During his lifetime, he did many things for his country; for the City of Simi Valley and the surrounding area; and for Kiwanis International' Division 42, and the Kiwanis Club of Simi Valley. Our club wishes to recognize him as our "Heart of a Hero" because of his many contributions and wide-ranging acts on Kiwanis and our community. Although he is no longer with us, his memory lives on.

Military Service

Bob served in the Navy from 1943 to 1966 and was discharged with the rank of Chief Yeoman. The administrative and recordkeeping skills he learned in this role were used many times in his future endeavors. At the age of 17, he was selected to be put ashore on Normandy Beach on the evening prior to the D-Day Invasion. Since he knew Morse code from his Boy Scout days, his job was to scout the area and signal with a flashlight to the waiting task force to tell them where it was safe to come ashore. He landed with a team of less than 20 soldiers and, as far as he knew, he was the only survivor of that group because he never saw any of his comrades again.

Contributions to Simi Valley - Resident since 1968

- One of the first Presidents of the Simi Valley Chamber of Commerce. This position eventually became known as the Chamber CEO. In this role, Bob was on the Moorpark College Simi Valley Community Advisory Committee which oversaw the first two years of the Simi Valley Consumer Fair. As planned, the sponsorship and leadership of the Fair was then turned over to the Chamber of Commerce while Bob was President. This Fair has been a very popular and valuable community event and, after several name and location changes is now the very successful Simi Valley Street Fair.
- One of the original founders of the Bank of Simi Valley which has changed hands over the years to become the current Union Bank.
- Served on the boards of numerous service clubs, including the Elks Club of Simi Valley and a chapter of the Salvation Army and helped establish the Free Clinic of Simi Valley which is still very active today.
- Was a distinguished President of the Kiwanis Club of Simi Valley from 1979 to 1980 and a distinguished Lt. Governor of Division 42 from 1983 - 1984. He helped start the Moorpark Kiwanis Club and the first Circle K Club at Moorpark Community College. In recognition of his many community contributions, he was selected to serve as the Grand Marshall of the Simi Valley Days Parade during one of the years when Simi Valley Kiwanis actively ran this event.
- According to a past Simi Valley Mayor, Greg Stratton, Bob "had this amazing ability to stand there and talk to you, and when you came away from him, you realized you'd just volunteered to do something for some good group or organization". For this reason, he was often referred to as "Mr. Volunteer".
- Served with distinction as a member and foreperson of the Ventura County Grand Jury which is a volunteer position that entails many hours a week and is a year-long commitment.
- Ran twice for elected office - a Seat On the Simi Valley School Board and a position on the Ventura County Board of Supervisors. Although unsuccessful in both attempts, he still continued to be very active and influential in
- the community in many other ways.

When asked to nominate someone as our club's "Heart of a Hero", several of our members immediately recommended Bob Pegg even though he passed away almost 25 years ago and is only a part of our past to many new members. His obituary called him a "community activist" and we feel he deserves to be recognized as the type of person we might all try to emulate, especially as it relates to his tireless work for Kiwanis and other community groups and, as we near Veteran's Day, for his valiant service to our country. We are pleased to submit Bob E. Pegg as our "Heart of a Hero" from the Kiwanis Club of Simi Valley.
