My fellow Kiwanians

Welcome to summer in Division 42! School is out, and most of the SLP's are quiet or at least subdued for a few months. Let's settle back with an iced tea, in passionfruit or "green". We have little shortbread cookies to go with your beverage.

Our June 13th Division Council Meeting (DCM) was hosted by the Kiwanis Club of Thousand Oaks. Vice President Craig Burns led the contingent from the club, feeding the group and doing a nice job hosting the event. Heart of a Hero for the Division was Mike Mathews, a Past President of TO, who took over managing the club's Trailer, after Don Shewmon "retired" up north. Mike is regularly spotted at cooking events in particular, guiding and yes, cooking. Congratulations Mike!

Our project the month of June allowed folks to get out of their seats and help each other. We created dog toys for a local shelter. Members were braiding cloth, and filling socks with balls. To complete the effect, we had markers to personalize each item. Thanks to all who participated.

The July 11th DCM, our last for the year, was hosted by the Kiwanis Club of Santa Barbara. President Marsha Gray came with a large portion of the club, AND the wonderful AKTION club volunteers as well. The food and festivities won the praise of those in attendance. Heart of a Hero for the Division was Anita Dominocielo-Ho, a Past President of Santa Barbara, who is a ubiquitous figure in the club. Marsha presented her with a nice certificate reflecting the club's appreciation. Congratulations Anita!

Our project the month of July was covering one of the round tables with thank you cards, colored hands waving, and messages of gratitude to the wonderful folks at the ARC.

Clubs have been busy getting the next set of officers elected, and then trained at the CLE (Club Leadership Education) July 20, or on-line. Appreciation goes out to the clubs for submitting their incoming officers on-line. It is very helpful to the incoming officers to be able to contact folks off of the KI site. Thank you to Roy Talley for doing a wonderful job, training the club leaders on each of the major roles of the club, as well as giving an overview of important functions, such as membership. Our Lt. Governor Designate Don Erickson, and the Lt. Governor Elect Debbie Heaslip provided a friendly backdrop and 2 delicious meals for the event. One piece of business had to be put off – we did not achieve a quorum for the approval of the Division's budget for next year, so that will need to be done on-line.

A few members, including yours truly, attended the International Conference in Florida at the end of June. The speakers were amazing, and the opportunity to delve deeply into topics that can help our clubs and our District makes the trip worthwhile.

A special word of appreciation to our Division Newsletter Editor this year: Katie McElroy. Her expertise in graphics continued the philosophy of continuous improvement. Katie is now working on creating a new human, so our award winning past editor, Nick Esser, will be signing off on the last few of the year. Thanks to both of these wonderful Kiwanians!

Finish up your tea and cookies. There is more summer yet to come, but all too soon we'll be hearing that school bell ring all across our Division and our SLP's will be back in business, and needing our mentorship. Now turn the page to see what our clubs have been up to. See you in Vegas, or at River Ridge for the changing of the guard, and celebration of a wonderful year.

From the smiles on the runners faces it was a fun event, and the coffee was very welcome .

On July 20, a couple of our members along with a couple of KIWIN'S helped at the kidSTREAM Museum's "Out of this World" - Celebrate the 50th Anniversary of the Moon Landing! This was a hands-on event for young children to get the feel of adventures in space. They even had a chance to dress for a space flight.

Conejo Valley

Roger Klausler Reporting

On May 23 at Emmanuel Church, we served a barbecue dinner, desserts, and sack lunches for the next day to the needy in cooperation with Harbor House. Joining us were lunch-baggers Sofia Hillman, Carter Kawaguchi, Jordan Hurdle, and Madeline Glass from the Newbury Park H.S. Key Club. Seasoned chefs Tom Stapleford, Randy Gould and David Yeomans were joined by our newest member, Alan Fisch.

On June 30 we provided the annual picnic lunch at Camarillo Grove Park for Ventura County's foster children in cooperation with the Auxiliary of Ventura County Children's Services—our favorite service project of the year. We served around 80 kids, plus their foster parents—about 225 total. Besides enjoying lunch, cotton candy, sno-cones and popcorn, the kids loved the always-popular Tawni's Ponies and Petting Zoo.

On July 21st, we held a fundraiser at the home of one of our members, Sue Bartley. There were games and karaoke, as well as wonderful catered food from Stonefire Grill, donated by Sherwin Williams Paint Co. We had a lot of fun and raised over \$800 for our Foundation!

Our July barbecue dinner for the needy featured burgers, hot dogs (always a favorite with our guests), salads and desserts. In addition, we prepared sack lunches for the next day.

Programs Keeping Us Busy

Things tend to slow down in summer but Santa Susana keeps busy with activities we run year-round. They can even be done while on vacation.

HATS FOR HEROES

Members knit hats by hand or with looms in a variety of sizes & colors for our troops serving overseas, for children in refugee camps in Syria and aids orphanages in South Africa. Over 250 hats have been made and delivered in the past 3 years.

FRIENDSHIP BRACELETS

K-Kids, Key Club, our members, and fellow Division 42 members as a DCM service project made hundreds of bracelets and bracelet kits to be sent along with the hats and trauma dolls we make to camps and orphanages.

For many of these children, the bracelets represent the only possession that is truly theirs alone.

FOR THE TROOPS

Cards are made by members and K-Kids and added to donations of candies, toiletries, coffee, socks and Hats for Heroes. These items are delivered to For the Troops for their care packages. Even on vacation, we all save our hotel toiletries and pick up postcards for this program.

K-KIDS SHOWING LEADERSHIP RIGHT TO THE END

All of our Madera K-Kid upper grade members participated in a "Living Museum" during the last week of school. Students chose a historical person and prepared a display and presentation about that person, their life, and their contributions to America and the world. Visitors went to each station and pressed a button to have the student begin their presentation. It was a wonderful experience for both participants & visitors.

"WE CARE FRIDAY"

Exceeds Their Goal

On the last Friday of each month, Madera K Kids ran a Food Drive to collect canned goods for the local food bank. After our final collection day at the end of May, we were thrilled to have exceeded our goal of 1200 items, collecting 1375 donated items.

"BINGO!"

A FUNDRAISER

At our monthly Dessert Social held in June, twenty members and guests gathered for great sweets made by our members, fun, and Bingo. Funds raised benefited our youth programs.

On Memorial Day, several of our members lent a helping hand as the Mobile Vietnam Memorial Wall visited Simi Valley.

Thousand Oaks

John Prescott Reporting

The Conejo Recreation and Park District Summer Concert in the Park Series is very popular, especially the Memorial Day concert, which featured an Eagles tribute band. Thousand Oaks Kiwanians raised a few bucks by serving the crowd our famous tri-tip sandwiches along with chips and soft drinks. Bill Steele, Gloria Dyok, and Mary Sepe staff the sales department.

Thousand Oaks Kiwanians Jim Ciandella, President Chuck Huffer, Randy Senzig, Theresa Protter (Event Chair), Mike Mathews, Dave Freeman, and Cristy Warner were ready to serve pancakes to participants in the Thousand Oaks Relay for Life May 19. When the rains came, they switched to pastries, bagels and coffee, serving about 75 people. Our club generated \$1,260 in donations, but the real K-World star was the Weathersfield School K-kids, who raised over \$5,000!

Lieutenant Governor Katy Porter led Thousand Oaks Kiwanians volunteering for the Ventura County Special Olympics track and field competition May 18 at Newbury Park High School, putting together sandwiches to serve more than 180 participants.

May 4th was a beautiful day for a hike to the beach, and the Thousand Oaks Club helped wheelchair-bound hikers enjoy nature while traversing Sycamore Canyon. Then the group crossed PCH (with the help of the California Highway Patrol) to enjoy our famous barbecue lunch. Don Christie is tending the grill, while Barbara Ashcraft gets the fixins' ready.

Hall of Heroes

Camarillo - June

June's Hero for the Kiwanis Club of Camarillo is John Muller. John is now the longest serving member of our club. He joined Kiwanis in December 1987 and has been a very active member from day one. He is our Key Club Advisor for Rio Mesa High School; a very active member of our board; and for years he chaired our 5K/10K Race which was the longest running race in Ventura county. John has always been the athlete of our club. He has run numerous marathons including LA and New York. He holds the title of "Iron Man" and has competed in many cycle races, including one through Death Valley. OK, we didn't say he was sane! On July 4th he volunteers our club for the Harbor 5K/10K Race where we provide the coffee and help keep the runners safe. His father lived to the grand old age of 107 where he still could be found bowling, so we expect many more years of service from John as he is a true Hero in our club.

July

July's Hero for the Kiwanis Club of Camarillo is Cecelia Wong, Lt. Governor of the KIWIN'S Turquoise Div. Cece is a member of Rancho Campana HS KIWIN'S and is always responsive to help us, no matter what the event is. She has generated so much enthusiasm in the different KIWIN'S Clubs which can be seen in the numerous service events they are already involved in, even though it is still summer recess. We can't wait to see what they will be doing once school gets underway again. She is a true example of how our SLP program works and our KIWIN'S Turquoise Division is in excellent hands for the next year. If any Kiwanis Club needs help with a function, don't hesitate to contact Cece, as she is great at finding one of their clubs to help.

Conejo Valley - June

Our thanks to long-time valley resident Mick Mahan, owner of Parma Pizzeria Napoletana in Thousand Oaks, who ran a fundraiser on November 15 from 5pm to closing. Parma donated 20% the proceeds to the Ventura County Community Foundation to aid people affected by the tragedies of that month. In addition, for firefighters, police, FBI and first responders, if they were in uniform or showed their badges that night, dinner was on the house.

July

After the tragic events at the Borderline on November 17, 2018 owners Mike and Debby Giovinazzo of Sunland Vintage Winery hosted a fundraiser where 100% of the profits were donated to the 12 families through VCCF. One of the 12 families happened to be a wine club member, so the loss hit particularly close to home. It was a party with a purpose, and when the evening was over, \$24,000 had been raised for the 12 families. A week after the fundraiser, another wine club member asked if she could bring her group to the Winery for healing, line dancing, smiling and togetherness. Today, Sunland Vintage Winery clears their floors on the 4th Thursday of every month to welcome this group, and the community, until Borderline can reopen its doors again somewhere in the Conejo Valley.

Hall of Heroes

Moorpark

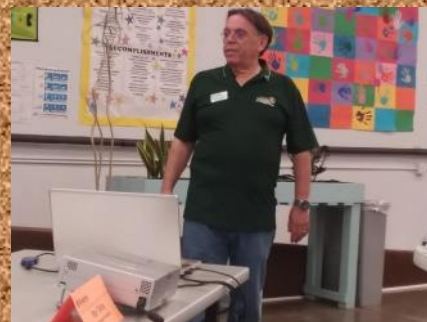

Since 2009, Joanne Cowles has been an active Moorpark Kiwanian. Joanne works at CSUN as a Human Resources Assistant at the University Student Union. She enjoys the Moorpark Kiwanis Club because we are a small group of great people who all have a similar interest in helping the community. Her sister is also a Kiwanian! Joanne enjoys traveling, trying new recipes, shopping, Bruce Springsteen and CHOCOLATE! Joanne serves on our board and is always willing to lend a helping hand when needed. Our club is lucky to have Joanne as a member!
