

# Alcohol & Other Drug Support for young people

Alcohol & Other Drug (AOD) support for young people in the Cape York and Torres regions.

RADIO provides young people in remote communities with:

- Information & Referrals
- Supports to reduce AOD use
- Help to improve social and emotional well-being
- Connections to other services
- Coordinated Case Management

RADIO builds regional youth AOD connections and ensures young people are supported as they move across communities and between Cairns, Cape York and Torres regions.

RADIO AOD treatment interventions are holistic and focus on connecting young people with local services to assist with:

- Health
- School & Work
- Getting along better with family
- Housing
- Education & Training
- Life Skills development

**If you know of a young person, between the ages of 12-25, who would benefit from a supportive empowering approach to reduce, cease or become safer with their alcohol and drug use contact RADIO.**

**Referrals can be made by any government or non-government agency, community member, family and/or young person.**

**RADIO is committed to client confidentiality and informed consent processes.**
