

Who Is TRC

The REENTRY Center of Brevard (TRC) helps returning citizens from incarceration with assistance for successful re-entry into our community. This Re-entry initiative will allow returning citizens access to vital post-release services (e.g., housing, employment, cognitive-behavioral intervention, health care, job placement and training, mentoring, and counseling) with the intent of helping them successfully transition back into the community through a continuum of care that will offer returning citizens support to succeed. The REENTRY Center Portal staff will also contact inmates releasing to Brevard County prior to release to begin the re-entry transition planning. The primary outcome of The REENTRY Center of Brevard County Re-entry Portal is to increase public safety by reducing recidivism.

Mission

To accelerate returning citizens' potential by equipping them with valuable skills that allow them to experience success and become contributing members of our community.

EXCUSES~~
RESULTS

Pre-release programming and services we provide include:

- Development of Individualized Release Plan
- A review of your driving record and payment plans established for you with the Clerk of Court.
- A review of eligibility for SSDI, SSI, and SS for those that qualify for those programs
- Programming provided include 24/7 Dad; Support4Families for your family members as they prepare for your release; and Cognitive-Behavioral Interventions (CBI) to help you plan for your success.
- If an out of state birth certificate is needed, we can order for you.
- Coordination of housing prior to release.
- Upon release, a welcome home package that includes work related clothing, toiletries, bus pass, and your case manager will help you apply for food stamps.

Ask your classification officer for more information.

Post-release programming and services we provide include:

- Development of Individualized Release Plan if not already completed.
- Transitional Housing. .
- A review of your driving record and payment
- Assistance with seeking permanent housing plans established for you with the Clerk of Court. Even if you have never had a driver's license, we will help you secure your driver's license with our **DS Project**. The **DS Project works**: just ask the 79+ clients who we have helped secure a valid driver's license!
- A review of eligibility for **SSDI, SSI, and SS** for those that qualify for those programs.
- Programming provided include **24/7 Dad; Support4Families** for your family members as they assist you after release; the **MRT-DWLS/R Program** that helps you understand how to secure a valid driver's license and how to keep it; **Cognitive-Behavioral Interventions (CBI)** to help you plan for your success; **Grief Recovery Class**; and **Florida Ready to Work Program**, which is an Online Skills Assessment and Career Readiness Program. **Financial incentives may be provided for completion of these programs.**

Post-release programming and services we provide include cont.:

- Healthcare connection to the Brevard Health Alliance (BHA).
- Counseling service referrals that are paid for by The Reentry Center of Brevard for substance use disorder and mental health needs. Vocational Training.
- GED Prep Class and GED Test.
- Job Connections.
- We schedule and pay for an eye exam and glasses up to a certain dollar amount.
- Bus Passes.
- Food.
- A welcome home package that includes work related clothing, toiletries, bus pass, and your case manager will help you apply for food stamps. Once employed and you need basic work tools, we may be able to assist with purchasing tools. If a Florida ID, birth certificate, or social security card is needed, we will order for you.

Call or stop by our location when released to enroll, if not already enrolled.

Our office hours are 9am to 5pm Monday through Friday.

Here at The Reentry Center of Brevard, we are very proud of our clients and their Stories of Hope! Let our Reentry Team help you live your Story of Hope!
