Chairman Ring opened the public hearing at 7:00 pm and the Pledge of Allegiance was recited.

Clerk Cynthia Ladzun read the public notice and provided the affidavits of posting, mailing and personal service.

Todd Howard, Assistant Dakota County Engineer provided a brief explanation of the re-alignment construction planned at CSAH 85 and CSAH 47. He explained that access onto 205th Street East from CSAH 47 will be removed during this construction as the county has deemed it to be a safety improvement. He also explained that permanent barricades and ditch work will be completed at this intersection to prevent vehicles from coming through. He noted that no utilities are shown on the current construction plan and if utilities are discovered after further locates are completed, the utility company would be required to comply with the county's request. He stated that should the township opt to vacate the remaining section of 205th Street East, the county would remove the road bed, grade it flat, place top soil and then seed the area.

No public comments were made during the public hearing.

Ladzun made a motion to vacate 205th Street East lying between CASH 85 and CSAH 47. Felty seconded the motion; all were in favor and the motion carried.

Ladzun made a motion to adjourn the public hearing at 7:10 pm. Felty seconded the motion; all were in favor and the motion carried.
