Manager Information

Useful information for Managers both new and old

1. Register as a volunteer through playfootball.com.au - This is a requirement from Football South Coast (FSC). You will need a [Working With Children](#) (WWC) number to register - If you apply for a WWC and are waiting for the number enter your Application number and our Member Protection Officer will follow up with you once confirmed
2. Shirts - Our kits are expensive and maintaining them from year to year helps us keep overall costs down. For this reason please **keep all shirts together** and set up a roster to share the washing. Each year we have to replace shirts that have gone missing or been worn out from being worn all weekend from teams who took individual shirts home during the season which costs the club both time and money (Note U6 & U7 will be given their own shirts to keep in 2024)
3. Rules - All can be found on the FSC website library section [Junior Competition Rules](#). Also available are [Mini Roo](#) formats and rules. If in doubt contact us to confirm especially around forfeits, borrowing players, and suspensions.
4. Trial Games - All interclub trial games must be sanctioned games for insurance reasons. Please notify the club secretary before a trial game via woononafcsecretary@gmail.com . See [FSC Trial Game Policy](#)
5. Code of Conduct- Please familiarise yourself with it. As coach or manager your behaviour should set the example for the players and parents to follow.
6. Ground Setup - When your team is on ground setup you will receive email notification. Please pass it onto the parents and have some helpers organised to assist with the setup 30min before your game. If you need any instructions ask a committee member and then show the parents. The more people who know how the more volunteers we have and easier the day runs
7. Canteen - A few times a season each team will have canteen duty which requires 2 volunteers aged over 16. You will usually get notification on a Tuesday and will need to organise two parents to cover this.
8. DRIBL App - This year you will be able to follow your teams draw/results on the Dribl app or at www.fsc.dribl.com Let your team know about this but note the draw will not appear until about a week before Round 1. This is also where you will enter the scores for U8-U11, and check the refs scores for U12 up. For Instructions on how to use Dribl as a Manager go to [Dribl-FSC](#)
9. ID check. Conducted by the home Ground Marshall (usually only for U12 up although some grounds do check younger teams). Manager should have the DRIBL app on their phone so that they can bring up the team to confirm that players match their photo and shirt number.
10. Borrowing Players - Always contact the Manager of a team before borrowing their players.
11. Jewellery. Zero tolerance Cannot tape or cover. Must be removed. "she just got them pierced" ...you will have to sit this game out.
