**Promotion Testing:** Promotion Testing is offered at the central academy/main school located at 1510 Mt. Vernon Rd, Cedar Rapids, IA. Promotion test bring all Jung's taekwondo branch school instructors, black belts and students to Cedar Rapids every other month beginning in February of a new year. Test months include February, April, June, August, October and December. Generally, the test date falls on the second Saturday of a test month but is subject to change.

Testing is to be completed at the Cedar Rapids dojang, however for Grinnell and/or English Valley students, an exception can be made for one to two tests to be completed at the branch school location. This must be pre-approved in advance with Master Gibson. This exception applies to color belts thru blue belts only. Brown belts and above must test at the Cedar Rapids dojang.

Students do NOT always test with every promotion test opportunity. Many factors weigh in to a student's readiness for promotion test and is discussed with Master Gibson. Taekwondo as a martial art, is an individual journey and should not ever be considered a competition.

Promotion test fees for all color belts (white thru brown) are \$40.00. Temporary black belt fee for test is \$152.00. 1<sup>st</sup> Dan black belt test fee is \$190.00.

**Sparring/ Sparring Equipment:** Jung's Taekwondo Academies practice free sparring or what is called point sparring at tournaments. The only legal contact areas are high-section (from neck up) for foot techniques and mid-section (including both sides of the torso, for hand and foot techniques). Techniques are to be controlled with very close contact up to a 1" or less of contact. Light uniform contact indicates this. Illegal target areas are the whole of the spinal column (neck, back of head, backbone), groin knees, throat and eyes. Biting, scratching, holding or clawing, intentionally avoiding close contact, and attacking illegal targets are prohibited. Blind techniques and sweeping techniques are prohibited. Hand techniques to the head or face are prohibited.

Sparring Equipment: It is recommended that all Jung's Academy students purchase at a minimum, a mouth guard. Additional sparring equipment of shin & instep protectors and forearm guards are highly recommended beginning at the orange belt level. White and yellow belts may loan sparring pads to help determine sizing prior to purchase. Purchases can be made thru several online options including Asian World of Martial Arts Inc.
