SIR BRIT Newsletter

August 12, 2019

Summer is almost over and the SIR Brit Car Show is coming up. Remember that it takes a lot of work to get things set up, run the show, and tear down. Let Sara Karr know if you will be working the show and plan to stay for the dinner after the clean-up. Remember to bring appetizers to the Friday night open house. Volunteers are needed to clean-up the park to get it ready for the show, host the Friday night open house for registration, as well as direct the cars to the correct group. Everyone who can help is greatly appreciated.

The registration forms are currently underway. Eric has received some calls from interested Mini owners based on the flyer that was distributed at the East Meets West 2020 meet.
- Clay Robinson has discussed the possibility of holding a cruise-in at Logan's Roadhouse in Evansville. He talked to the manager and it was decided that there isn't enough parking to dedicate to a cruise-in. Another option is to join the cruise-in that is held the 1st Sunday of every month at the Arby's. They would be pleased to have a line-up of British cars join them. There is no fee and the cruise-in takes place from 3-7 in Arby's parking lot off the Lloyd Expressway.
