- The meeting was held at Turoni's Pizzeria and Brewery and was opened by Ray Graham, with 20 attendees.
- The half pot was won by Jerry Peters.

- The meeting minutes were approved based on the February newsletter with no changes.
- NAMBAR dues - A motion was made and seconded to pay the NAMGAR dues for 8 members to maintain the insurance for the club. At the April meeting there will be a drawing from the interested parties to determine who will receive the memberships. **If you are interested in being included in that drawing, please send an email to me (jaci090856@gmail.com)** and let me know to include your name in the pot. The winners will receive the year's NAMGAR membership as well as a driver aid in June which lists all the MG owners who are available to provide help if needed across the United States.
- Car Show Budget - A spreadsheet of the car show budget was provided to all attendees for review. If you have any comments/suggestions/changes to the budget, bring them to the April meeting. Remember that the car show pays for itself and is not meant to fund the club. The charity donation is funded by the club membership dues.
- 2020 Mini Car Show - A timeline is currently being developed to keep the planning on schedule. Remember that they are still looking for support with the tasks that have been defined.
