# Midwest® Diamond Burs

## Multi-Use Diamonds

Midwest® Diamonds are manufactured with natural diamonds, which provide more cutting surfaces than synthetic diamonds. They feature multiple, evenly distributed layers for optimum concentricity and reliable cutting, use after use.

**5 per pack** | FG or FGSS shank as noted

## Midwest Once® Sterile Single-Patient Diamonds

- Improve infection control — individually packaged and sterile.
- Save time and money — no need to clean and autoclave.
- Always sharp, so you're always working at optimal cutting efficiency.

**25 per pack** | FG shank; FGSS shank as noted

## Midwest Once® Helical Sterile Diamonds

- Clear diamond-free channel for optimal debris collection and removal.
- Unobstructed path aids water cooling.
- Specially treated diamond grit for efficient, smooth cutting.

**25 per pack** | Super Coarse Grit | FG shank

## From Ultra Coarse to Ultra Fine

Midwest® diamonds are available in seven grit levels, ranging from Ultra Coarse (diamond particles 149-177 microns in size) through Ultra Fine (6-12 microns).

**Terms and Conditions of Sale**

All prices stated are in U.S. Dollars, and are subject to change without notice. All sales are subject to approval and acceptance by Dentsply Sirona and are made F.O.B. shipping point. Shipments pursuant to purchase orders instructing Dentsply Sirona not to insure will be shipped at your risk. Shipments pursuant to purchase orders with no insurance instructions will be shipped at your risk. Safe shipments by motor freight or express made on bills of lading are the responsibility of the transportation company. In the event of loss or damage, claim should be made direct to the transportation company pursuant to instructions in the notice attached to the packing slip. Minimum order value is \$100.00 U.S.

**Items Returned for Credit, Exchange, Service or Repairs**

Dentsply Sirona customers desiring to return unused products or parts must receive a RETURN MATERIALS AUTHORIZATION (RMA) number from the Dentsply Sirona Midwest Customer Service Department (see phone numbers below) prior to shipment. This RMA number must be referenced in correspondence accompanying the returned products and noted on the outside of the shipping carton. If products are shipped without an RMA, they will be returned to the customer.

In addition, the following terms and conditions apply to all returns:

1. All products returned for credit or exchange must be of current design in the original, unopened, sealed package and in sellable condition. Damaged, opened, outdated, obsolete, used or "demo" products, or products and parts purchased more than 30 days prior to the current date are not returnable for credit or exchange. Pharmaceutical products are not returnable.
2. A copy of the original invoice must accompany all product returns for credit or exchange. Products returned must include Dentsply Sirona customer number, RMA, billing name, address, phone number, a copy of the original invoice, lot numbers, product descriptions, and reason for return.
3. Any credit applied will be based on the original invoice price.
4. Subject to the above, products returned are subject to a minimum 20% restocking charge. Products will not be accepted for return credit or exchange beyond 30 days from the original invoice date.
5. Final approval for replacement or credit is at the sole discretion of Dentsply Sirona.

6. Transportation charges must be paid by the customer or distributor on products, parts or accessories returned for credit or exchange, regardless of the warranty period.
7. Small equipment products which fail in service during warranty, will be repaired and returned in accordance with the terms of the product warranty. Dentsply Sirona is the only authorized repair center for warranty repairs.
8. All authorized returns for credit or exchange MUST be shipped to the address below. Items sent to any other destination will be subject to additional freight charges.
9. No credit will be issued for expired products.

Midwest® products are guaranteed to be free of defects in material and workmanship, provided they have been used and maintained as prescribed in the Instructions for Use, at the discretion of Dentsply Sirona, and have not been subject to apparent misuse, abuse or accident. All questionable, defective or loose parts must be returned with proof of purchase, transportation prepaid. Not following the provided instructions for Installation, Operation and Maintenance will void the warranty. There are no warranties, express or implied, which extend beyond the description of the face hereof. Dentsply Sirona neither assumes, nor authorizes any person to assume for it, any other liability in connection with the sale or use of its products. Damages are limited strictly to repair or replacement of parts. Dentsply Sirona expressly disclaims liability for incidental and consequential damages resulting from the use of its products. Claims covered by warranty will be honored when presented through your Dentsply Sirona distributor within 30 days from discovery of defect within the applicable warranty period.

Warranties exclude consumables, such as cleaner spray, absorbent pads, gaskets, rubber parts, seals and O-rings, etc.

Dentsply Sirona reserves the right to change design or construction of its products without prior notice or obligation. All goods will be billed at prices in effect at date of shipment. Prices are subject to change without notice.
