Redefining Tech

WorldTech Summit 2024 aims to bring together leading experts, researchers, and innovators from around the world to explore and discuss the latest advancements in technology. The conference will provide a platform for sharing groundbreaking ideas, fostering collaboration, and addressing the challenges and opportunities that arise in the rapidly evolving tech landscape.

What To Expect

Keynote Speakers
- Visionary leaders from tech giants
- Pioneering researchers and academics
- Influential policymakers shaping the tech landscape

Interactive Workshops
- Networking Opportunities:
- Virtual and in-person networking events
- Industry-specific roundtable discussions

GUESTS OF HONOR

His Excellency Sheikh
Dr. Eng. **Abdullah Bin Ali Al Saihati**
