What is MTCA?

MTCA stands for Musical Theatre Competitions of America. We have typically participated in the Junior Theatre Festival, but this year we are trying out something different. We made the choice to try MTCA due to the extensive workshops, and opportunities for students to have adjudications in solo/duet vocal and acting work. We are considering taking a Middle School and a High School group of 16 students in each, we may also take one combined group depending on talent and interest.

Key Events at MTCA

Adjudication: Groups perform 12 minutes from a Broadway musical for adjudication by leading theatre professionals.

Workshops: Broadway professionals and master teachers from across the country offer interactive workshops in multiple disciplines. Past masterclasses include Fosse Dance, Building your Songbook, Makeup Design, Scene Your Song, and College Audition Preparation.

Open Call Auditions: Students will work with our creative team of award-winning Choreographers and Music Directors as we re-create the high stakes of an actual Broadway Audition! Students from every group will be cast in our Production Numbers to be performed at the MTCA Finale!
