A year in review

Current status: In just one year, we have become a fiscally solvent recreational soccer club that is transparent and accountable to our members. We have eighty-two registered players and thirteen social members. Sixtyfive percent of our members are over fifty years old and play competitive soccer in a recreational atmosphere; we do not keep scores and standing.

Our home is at George Jones Field at Brantford Harlequins RFC with access to three soccer fields and a club house with bar, kitchen, meeting room and training facilities. In the coming years we hope to grow and continue to build upon our initial success.

Constitution: At the annual general meeting in September 2016, we ratified our constitution which guarantees our members their right to be heard. Article 4.3 in the constitution highlights our commitment to fiscal responsibility and accountability. We have constitutional safe guards in place that limit executive over-reach of their powers and privileges.

Socials: We organize a variety of social functions for our members and their family (see our website for details).

Our plans: Is to welcome new players, social members and guest players throughout the season. We plan (pending approval at the GM) to contribute 20% of the registration fee into a reserve fund to be used for the improvement of our facilities as deemed necessary by the majority vote of our membership.

Registration: January 22nd, 2017 at McGonagall's Pub 2:00 – 4:00. Registration fee is \$100.00 for players and \$20.00 for social members.
